**Item 3.02 Unregistered Sales of Equity Securities.**

On September 30, 2014, Intellinetics, Inc. (the “Company”), issued an aggregate of 357,144 restricted shares of the Company’s common stock, par value, \$0.001 per share (“Common Stock”) to 5 consultants (the “Consultants”) in exchange for certain services rendered, including public relations services, investor relations services, marketing consulting services, and management consulting services. The services were compensated with Common Stock at a rate of \$250 per hour of services and \$0.56 per share of Common Stock.

The shares of Common Stock sold in the Offering were not registered under the Securities Act of 1933, as amended (the “Securities Act”), or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(2) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering. The investors are “accredited investors” as such term is defined in Regulation D promulgated under the Securities Act. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such securities contain a legend stating the same.
