QUESTIONS AND ANSWERS ABOUT THE ANNUAL MEETING AND VOTING

Why am I receiving these materials?

The Board of Directors (the "Board") of Intellinetics, Inc. ("Intellinetics," "Company," "we," "our" or "us") is providing these proxy materials to you in connection with the Board's solicitation of proxies for use at our 2016 Annual Meeting of Stockholders (the "Annual Meeting"), which will take place at 2190 Dividend Dr., Columbus, Ohio 43228 on July 11, 2016, at 10:00 AM, local time. As a stockholder of record as of the close of business on May 13, 2016, the record date for the Annual Meeting, you are invited to attend the Annual Meeting and are requested to vote on the proposals described in this proxy statement. We began mailing this proxy statement, the accompanying proxy card and the notice of Annual Meeting on or about May 18, 2016.

What information is contained in this proxy statement?

The information included in this proxy statement relates to the proposals to be voted on at the Annual Meeting, the voting process, our corporate governance, the compensation of our directors and of our executive officers, and certain other required information. Our 2015 Annual Report and a proxy card are also enclosed with this proxy statement.

What proposals will stockholders vote on at the Annual Meeting?

Stockholders will vote on two proposals at the Annual Meeting:

- Election of directors (Proposal 1); and
- Ratification of the Audit Committee's appointment of GBQ as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal 2).

We will also consider any other business that properly comes before the Annual Meeting, although as of the date of this proxy statement we are not aware of any other matters to be presented at the Annual Meeting other than as set forth in this proxy statement.

How does the Board of Directors recommend that I vote my shares?

Our Board of Directors recommends that you vote your shares:

- **"FOR"** the election as directors of the five nominees named in this proxy statement (Proposal 1);
- **"FOR"** the ratification of the Audit Committee's appointment of GBQ as our independent registered public accounting firm for the fiscal year ending December 31, 2016 (Proposal 2).

Who is entitled to vote at the Annual Meeting?

Each holder of record of shares of our common stock as of the close of business on May 13, 2016, which is the record date for the Annual Meeting, is entitled to vote at the Annual Meeting. Each share of our common stock outstanding as of the close of business on the record date is entitled to one vote on each proposal presented at the Annual Meeting. You may vote all shares owned by you as of the record date, including shares that are held directly in your name as the stockholder of record, and shares that are held for you as the beneficial owner in street name through a brokerage firm, bank, trustee or other nominee. As of the close of business on the record date, 16,794,992 shares of common stock were outstanding and entitled to vote.

What is the difference between holding shares as a “stockholder of record” and as a beneficial owner in “street name”?

These terms describe how your shares are held. Several of our stockholders hold their shares beneficially through a brokerage firm, bank, trustee or other nominee rather than directly in their own name. As described below, there are some very important distinctions between shares held of record and those owned beneficially.

Shares held of record : If your shares are registered directly in your name with our transfer agent, Standard Registrar & Transfer Company, you are considered the “stockholder of record” of those shares, and these proxy materials are being sent directly to you by us. As a stockholder of record, you have the right to grant your voting proxy directly to us or to vote in person at the Annual Meeting. We have enclosed a proxy card for you to use. You may also vote by email, as described on the proxy card and as described below under the heading “How can I vote my shares without attending the Annual Meeting?”

Shares owned beneficially : If your shares are held in an account by a brokerage firm, bank, trustee or other nominee in its name as a custodian, then you are considered the beneficial owner of those shares, which are held in “street name,” and these proxy materials are being forwarded to you by your brokerage firm or other nominee, which is considered the stockholder of record of those shares. As the beneficial owner, you have the right to direct your brokerage firm or other nominee how to vote those shares, and you are also invited to attend the Annual Meeting. However, because you are not the stockholder of record of those shares, you may not vote those shares in person at the Annual Meeting unless you obtain a legal proxy from the brokerage firm or other nominee that holds your shares giving you the right to vote the shares at the Annual Meeting. Your brokerage firm or other nominee has enclosed or provided voting instructions for you to use in directing your brokerage firm or other nominee how to vote your shares. Many brokerage firms and banks, as well as some other nominees, also offer voting on the Internet or by telephone. Please refer to the voting instruction form you received from your brokerage firm or other nominee for instructions on the voting methods they offer.

Can I attend the Annual Meeting?

You are entitled and invited to attend the Annual Meeting only if you are a stockholder of record or a beneficial owner of shares held in street name as of the record date or hold a valid proxy for the Annual Meeting.

Can I vote my shares in person at the Annual Meeting?

If you are a stockholder of record as of the record date, you may vote your shares in person at the Annual Meeting. If you are a beneficial owner of shares held in street name as of the record date, you may vote your shares in person at the Annual Meeting only if you obtain a legal proxy from the brokerage firm or other nominee that holds your shares giving you the right to vote the shares at the Annual Meeting. Even if you plan to attend the Annual Meeting, we recommend that you also submit your proxy or voting instructions as described below so that your vote will be counted if you later decide not to attend the Annual Meeting.

How can I vote my shares without attending the Annual Meeting?

Whether you hold shares directly as a stockholder of record or indirectly as a beneficial owner in street name, you may direct how your shares are voted without attending the Annual Meeting.

If you are a stockholder of record, you may vote your shares by submitting a proxy by one of the following methods:

By Email: Stockholders of record may submit proxies by email by following the instructions on their proxy cards until 11:59 p.m., Eastern Time, on July 10, 2016.

By Mail: Stockholders of record may submit proxies by completing, signing and dating their proxy cards and mailing them in the accompanying pre-addressed envelopes. Proxy cards submitted by mail must be received by the time of the Annual Meeting in order for your shares to be voted.

If you hold shares beneficially in street name, you may vote by submitting voting instructions to your brokerage firm or other nominee. Most stockholders who hold shares beneficially in street name may vote by Internet or by telephone by accessing the Internet website or by calling the number specified on the voting instruction cards provided by their brokerage firms or other nominees, or by mail by completing, signing and dating the voting instruction cards provided and mailing them in the accompanying pre-addressed envelope. Please refer to the voting instruction card provided by your brokerage firm or other nominee for details. Since a beneficial owner is not the stockholder of record, you will not be entitled to vote your shares in person at the Annual Meeting unless you obtain a legal proxy from the brokerage firm or other nominee that holds your shares giving you the right to vote the shares at the meeting.

Can I revoke my proxy and change my vote after I have voted?

You may revoke your proxy and change your vote at any time prior to the taking of the vote at the Annual Meeting.

If you are a stockholder of record, you may revoke your proxy and change your vote by taking any of the following actions before your shares are voted at the Annual Meeting:

- granting a new proxy bearing a later date (which automatically revokes the earlier proxy) using any of the methods described above under “How can I vote my shares without attending the Annual Meeting,” until the applicable deadline for each method;
- delivering a written notice of revocation to our Secretary at Intellinetics, Inc., 2190 Dividend Drive, Columbus, Ohio 43228; or
- attending the Annual Meeting and voting your shares in person, although your attendance at the Annual Meeting will not in and of itself constitute the revocation of your proxy.

For shares you hold beneficially in street name, you may change your vote by submitting new voting instructions to your brokerage firm or other nominee following the instructions they provided, or, if you have obtained a legal proxy from your brokerage firm or other nominee granting you the right to vote your shares, by attending the Annual Meeting and voting in person.

How will my shares be voted if I sign and return my proxy card or voting instruction form without specifying how they should be voted?

If you provide specific voting instructions with respect to any proposals, your shares will be voted as you specify on such proposals. If you are a stockholder of record and sign and return your proxy card without specifying how your shares are to be voted on some or all of the proposals, then your shares will be voted on those proposals as recommended by the Board of Directors. See “How does the Board of Directors recommend that I vote my shares?” above. If you are a beneficial owner of shares held in street name and either sign and return your voting instruction form without specifying how your shares are to be voted on some or all of the proposals or you do not sign and return a voting instruction form, then your brokerage firm or other nominee may generally vote your shares in its discretion on “routine” proposals but not on proposals that are not routine. See “How are broker non-votes and abstentions treated?” below.

What is the quorum requirement for the Annual Meeting?

The quorum requirement is the minimum number of shares that must be present at the Annual Meeting for us to hold the meeting and conduct business. For a quorum to exist, the holders of a majority of the shares of common stock outstanding as of the record date must be present in person or represented by proxy at the Annual Meeting. Both abstentions and broker non-votes, as discussed below, are counted as present for the purpose of determining the presence of a quorum.

How are broker non-votes and abstentions treated?

Generally, “broker non-votes” occur on a proposal when shares held of record by a brokerage firm or other nominee in street name for a beneficial owner are not voted on that proposal because the brokerage firm or other nominee has not received voting instructions from the beneficial owner and does not have discretionary authority to vote those shares on that proposal. A brokerage firm or other nominee is entitled to vote shares held for a beneficial owner on routine proposals without instructions from the beneficial owner of those shares. However, a brokerage firm or other nominee is not entitled to vote shares for a beneficial owner on non-routine proposals absent instructions from the beneficial owner of such shares. Broker non-votes are counted for purposes of determining whether a quorum exists, but are not counted for purposes of determining the number of shares represented and voted with respect to an individual proposal, and therefore will have no effect on the outcome of the vote on any proposal.

The election of directors (Proposal 1) will be treated as a non-routine proposal. If you hold your shares in street name and do not instruct your brokerage firm or other nominee how to vote your shares with respect to either of those proposals, then your brokerage firm or other nominee will not be permitted to vote your shares on those proposals and your shares will be counted as broker non-votes on those proposals. The ratification of the appointment of our independent auditors (Proposal 2) will be treated as a routine proposal, so if you hold your shares in street name and do not instruct your brokerage firm or other nominee how to vote your shares with respect to that proposal, then your brokerage firm or other nominee will be permitted to vote your shares on that proposal.

Abstentions are deemed present at the Annual Meeting and are counted for purposes of determining whether a quorum exists and are generally counted for purposes of determining the number of shares represented and voted with respect to an individual proposal, except in the election of directors.

More information about the effects of broker non-votes and abstentions on the three proposals to be voted on by our stockholders at the Annual Meeting is provided in “What vote is required to approve each Proposal?” below.

What vote is required to approve each Proposal?

On Proposal 1, the election of five directors, the directors are to be elected by a plurality of the votes cast with respect to such director by the shares present, in person or by proxy, at the Annual Meeting and entitled to vote on Proposal 1. A “plurality of the votes cast” for purposes of the election of directors means that the five candidates receiving the highest number of votes cast shall be elected as the five directors. Abstentions and broker non-votes will have no effect on the outcome of the election of directors.

On Proposal 2, the ratification of the Audit Committee’s appointment of GBQ as our independent registered public accounting firm for the fiscal year ending December 31, 2016, the affirmative vote of a majority of the shares present, in person or by proxy, at the Annual Meeting and entitled to vote on Proposal 2 is required to ratify the appointment of GBQ. Abstentions will have the same effect as votes against Proposal 2, while broker non-votes will have no effect on the outcome of the vote on Proposal 2.

Is cumulative voting permitted for the election of directors?

No, you may not cumulate your votes for the election of directors.

What happens if additional matters are presented at the Annual Meeting?

Other than the two proposals described in this proxy statement, as of the date of this proxy statement we are not aware of any other business to be acted upon at the Annual Meeting. If any additional matters are properly presented for a vote at the Annual Meeting, the persons appointed as proxies in the proxy card will have the discretionary authority to vote or act thereon in accordance with their best judgment.

Who will count the votes?

A representative from Standard Registrar & Transfer Company Inc., our transfer agent, will count the votes and serve as the inspector of election for the Annual Meeting.

Is my vote confidential?

Proxy instructions, ballots and voting tabulations that identify individual stockholders are handled in a manner that protects your voting privacy. Your vote will not be disclosed either within our company or to third parties, except (1) as necessary to meet applicable legal requirements, (2) to allow for the tabulation of votes and the certification of the vote, and (3) to facilitate a successful proxy solicitation. Occasionally, stockholders provide on their proxy card written comments, which are then forwarded to our management and the Board of Directors.

What should I do if I receive more than one set of proxy materials?

You may receive more than one set of proxy materials, including multiple copies of this proxy statement and multiple proxy cards or voting instruction cards, if your shares are registered in different names or are held in more than one account. Please vote all your shares by voting each proxy card and voting instruction card that you receive.

How can I access the proxy materials and annual report electronically?

This proxy statement and our 2015 Annual Report are available on the Internet at <http://www.intellinetics.com/investor-relations/sec-filings>.

Where can I find the voting results for the Annual Meeting?

The preliminary voting results will be announced at the Annual Meeting. We will file a Current Report on Form 8-K with the Securities and Exchange Commission within four business days of the Annual Meeting announcing the final voting results.

If I vote against any Proposal, am I entitled to appraisal rights?

Under Nevada law, stockholders are not entitled to appraisal rights with respect Proposal 1 or Proposal 2.

Who pays the costs of this proxy solicitation?

We will pay the entire cost of preparing, assembling, printing, mailing and distributing these proxy materials and soliciting votes and proxies. If you choose to access these proxy materials and/or vote over the Internet, you are responsible for any Internet access charges you may incur.

In addition to the mailing of these proxy materials, we may also solicit proxies in person or by mail, telephone, facsimile, email or other means of communication by our directors, officers and employees, but we will not provide any additional or special compensation for such soliciting activities.

We will request that brokerage houses, banks, nominees, trustees and other custodians forward proxy solicitation materials for shares held of record by them to the beneficial owners of such shares, and, upon request, we will reimburse those custodians for their reasonable out-of-pocket expenses incurred in forwarding those materials.

CORPORATE GOVERNANCE

We believe that our corporate governance principles and practices provide an important framework to ensure that our company is managed on a sound basis for the long-term benefit of our stockholders. Our Board of Directors is developing its corporate governance policies and practices in light of the recent changes at the Company to meet laws and regulations, including the rules and regulations of the Securities and Exchange Commission, and best practices in corporate governance.

Director Independence

In accordance with Rule 407(c)(a)(ii) of Regulation S-K, we are not a listed issuer and we use the definition of independence as set forth in the rules of the NASDAQ Stock Market. Currently, the Board consists of five directors, of which independent directors constitute a majority of our Board. In the future, the board of directors may recruit additional independent directors to join the Board and also our Board committees. The charters of both our Compensation Committee, Audit Committee, and Nominating and Corporate Governance Committee require that all members of each committee be independent. Currently, Robert C. Schroeder, Rye D’Orazio, Murray Gross, and Sophie Pibouin serve as our independent directors. When determining the independence of Robert C. Schroeder, the Board considered his affiliation with Taglich Brothers, which has been retained by the Company as a Placement Agent, and his appointment by Taglich as a director under the terms of a Placement Agent Agreement between the Company and Taglich Brothers.

Departure of Directors and Election of Directors

On March 20, 2015, Sophie Pibouin was elected by the Board, and reelected by the stockholders in August 2015 as an additional Director. On April 30, 2015, A. Michael Chretien and Thomas D. Moss both resigned from the Board, and the Company thanks them both for their Board service over the past three years. Neither of their resignations were as a result of any disagreements with the Company. Additionally on April 30, 2015, Murray Gross was elected as an additional Director and Chairman of the Board by the Board, and reelected by the stockholders in August 2015.

Meetings of the Board of Directors

Our Board of Directors, which currently consists of five directors, meets regularly throughout the year and holds special meetings whenever circumstances require. The Board of Directors held a total of 4 meetings during 2015. During 2015, each director attended from 80% to 100% of the total number of meetings of the Board and of the committees of the Board on which such director served, and our directors in the aggregate attended 95% of the total number of meetings of the Board and committees on which they served.

Committees of the Board of Directors

Our Board of Directors has established a standing Audit Committee, Compensation Committee, and Nominating Committee. The membership of each committee and its functions, duties and responsibilities are discussed below. Each committee operates under a written charter that has been adopted by our Board. Each member of each of these Board committees is an independent director.

Audit Committee

Our Board of Directors has established an Audit Committee in accordance with Section 3(a)(58)(A) of the Securities Exchange Act of 1934, as amended (the “Exchange Act”). In 2015, the members of the Audit Committee were Rye D’Orazio, Robert C. Schroeder and Murray Gross (since May 13, 2015). The Board of Directors has determined that all members of the Audit Committee are independent under our standards of director independence. The Board of Directors has determined that each member of the Audit Committee is financially literate and that Robert C. Schroeder qualifies as an “audit committee financial expert,” as that term is defined in Item 407(d) of Regulation S-K under the Exchange Act. The Audit Committee met four times during 2015.

The primary purpose of the Audit Committee is to assist the Board of Directors in fulfilling its oversight and monitoring responsibilities relating to:

- the quality and integrity of our financial statements;
- our system of internal control over financial reporting and disclosure controls and procedures;
- the quality and integrity of our auditing, accounting and financial reporting processes generally;
- the audits of our annual financial statements and the appointment, compensation, qualifications, independence and performance of our independent registered public accounting firm;
- our compliance with legal and regulatory requirements.

The Audit Committee's duties and responsibilities include:

- reviewing and discussing with management and our independent registered public accounting firm our annual audited and quarterly unaudited consolidated financial statements;
- determining whether to recommend to the Board of Directors that our annual consolidated financial statements be included in our Annual Report on Form 10-K;
- reviewing with management any earnings announcements or guidance forecasts and other announcements regarding our historical or projected results of operations;
- selecting, appointing and, when appropriate, terminating our independent registered public accounting firm;
- reviewing and pre-approving the nature, scope and fee arrangements of the annual audit and non-audit services of our independent registered public accounting firm;
- reviewing the qualifications, performance and independence of our independent registered public accounting firm;
- reviewing the scope and the results of the annual audit of our consolidated financial statements by our independent registered public accounting firm;
- reviewing and discussing with management and our independent registered public accounting firm our accounting and financial reporting practices and procedures and the design, implementation, adequacy and effectiveness of our system of internal controls;
- preparing the annual Audit Committee report required by the rules of the SEC to be included in our proxy statement for our annual meetings of stockholders;
- reviewing any transaction that involves a potential conflict of interest or a related person;
- adopting and overseeing procedures for the receipt, retention and treatment of employee concerns and complaints regarding accounting, internal controls or auditing matters; and
- providing other assistance to the Board of Directors, as requested, with respect to our financial, accounting and reporting practices.

The Audit Committee performs its functions and responsibilities under a written charter adopted by the Board of Directors and available on our website at www.intellinetics.com.

Compensation Committee

Our Board of Directors has established a Compensation Committee. In 2015, the members of the Compensation Committee were Robert C. Schroeder, Rye D'Orazio, and Murray Gross (since May 13, 2015). The Board of Directors has determined that all members of the Compensation Committee are independent under our standards of director independence. In addition, each member of the Compensation Committee meets the definition of a "non-employee director" under Section 16b-3 of the Exchange Act, and of an "outside director" under Section 162(m) of the Internal Revenue Code of 1986, as amended (the "Code"). The Compensation Committee met twice during 2015.

The primary purposes of the Compensation Committee are to review and approve the compensation of our executive officers and to oversee our compensation plans and policies generally. The Compensation Committee's duties and responsibilities include:

- establishing, reviewing and approving our general compensation philosophy and strategy;
- reviewing and approving corporate goals and objectives relevant to the compensation of our executive officers, and evaluating their performance in light of those corporate goals and objectives, and determining and approving their compensation based on that evaluation;
- overseeing, evaluating and, as directed by the Board, administering and recommending changes to our incentive compensation plans and programs;
- approving employment agreements, severance agreements, change in control agreements and other compensation agreements and arrangements for our executive officers;
- reviewing and approving the compensation of directors;
- evaluating and assessing any risks and excessive risk-taking activities encouraged by our compensation programs and policies;
- reviewing the results of the advisory vote by stockholders on the compensation of our named executive officers; and
- reviewing, modifying and making recommendations with respect to, and monitoring compliance with, our stock ownership guidelines.

The Compensation Committee does not generally exercise its power to delegate its authority to subcommittees and officers. The Compensation Committee has the authority under its charter to retain, approve fees for and terminate independent experts, consultants and advisors as it deems necessary to assist in the fulfillment of its responsibilities. To date, the Compensation Committee has not engaged an independent compensation consultant.

While the Compensation Committee gives significant weight to the recommendations of our Chief Executive Officer, the Compensation Committee is responsible for making the final decisions on executive compensation matters and exercises its discretion and authority in approving, modifying or rejecting these recommendations.

The Compensation Committee performs its functions and responsibilities under a written charter adopted by the Board of Directors and available on our website at www.intellinetics.com.

Nominating and Corporate Governance Committee

Our Board of Directors has established a Nominating and Corporate Governance Committee as of May 13, 2015. Since then, the members of the Nominating and Corporate Governance Committee have been Robert C. Schroeder, Murray Gross, and Sophie Pibouin. The Board of Directors has determined that all members of the Nominating and Corporate Governance Committee are independent under our standards of director independence.

The primary purposes of the Nominating and Corporate Governance Committee are to:

- identify and recommend individuals qualified to become members of the Board of Directors and its committees;
- determine the Board's size, composition, procedures, governance and committees;
- develop, review and assess, our corporate governance principles and policies;
- develop qualification criteria for Board membership;
- review and recommend independence determinations with respect to the directors;
- recommend Board committee assignments;
- oversee our Board's performance and self-evaluation process;
- oversee risks and exposures associated with director nominations and qualifications, corporate governance and overall Board effectiveness; and
- review governance-related stockholder proposals and recommend Board responses.

The Nominating and Corporate Governance Committee unanimously recommended the five nominees standing for election at the Annual Meeting, and that recommendation was unanimously approved by the Board of Directors.

The Nominating Committee performs its functions and responsibilities under a written charter adopted by the Board of Directors and available on our website at www.intellinetics.com.

Board Leadership Structure

Our Board of Directors has determined that at the present time it is in the best interests of our company and our stockholders to separate the roles and offices of the Chairman of the Board from the Chief Executive Officer in recognition of the differences between their roles, thereby allowing our Chief Executive Officer to focus on the day-to-day running of our company. The Board determined that this structure is optimal for us under our current circumstances because it allows Matthew L. Chretien, our Chief Executive Officer to devote his full attention and energy to setting and executing the strategic plan for our company and to providing day-to-day management and leadership of our company and our business and affairs, while allowing our Chairman to lead and direct Board meetings and to facilitate other Board activities and the flow of information between management and directors. Until April 30, 2015, A. Michael Chretien served as our Chairman of the Board, and since April 30, 2015, Murray Gross has served as our Chairman of the Board.

We believe that this leadership structure enhances the accountability of the Chief Executive Officer to the Board, strengthens the Board's independence from management and provides the appropriate leadership to help ensure effective risk oversight by the Board.

The offices of Chairman of the Board and Chief Executive Officer have been held by separate persons since 2012. However, the Board of Directors recognizes that circumstances may change over time. Accordingly, the Board of Directors has not adopted a formal policy requiring us to separate the roles of Chairman of the Board and Chief Executive Officer but rather believes it is important to retain its flexibility to allocate the responsibilities of the offices of the Chairman of the Board and the Chief Executive Officer from time to time in a manner that is in the best interests of our company and our stockholders based upon then prevailing circumstances. We believe our current leadership structure is serving the best interests of our company and our stockholders.

Executive Sessions

Executive sessions of independent directors, without any management director or other members of management being present, are held at the request of the independent directors as they deem necessary or appropriate. The sessions may be held in conjunction with a Board committee meeting at which no management director is present. Any independent director can request that additional executive sessions be scheduled.

Director Attendance at Annual Meetings of Stockholders

The Board of Directors expects all directors to attend each Annual Meeting of Stockholders, except where the failure to attend is due to unavoidable or unforeseeable circumstances. All directors attended the 2015 Annual Meeting of Stockholders.

Nominations of Directors

Identifying and Evaluating Nominees for Director

The Nominating and Corporate Governance Committee uses a variety of methods for identifying and evaluating nominees for director. The Nominating and Corporate Governance Committee assesses the appropriate size and composition of the Board of Directors, the needs and the respective committees of the Board, and the qualifications of candidates in light of those needs.

In selecting candidates for nomination at an annual meeting of stockholders, the Nominating and Corporate Governance Committee begins by determining whether the incumbent directors whose terms expire at that meeting desire and are qualified to continue their service on the Board of Directors. The Nominating and Corporate Governance Committee believes that the continuing service of qualified incumbents promotes stability and continuity in the boardroom, giving us the benefit of the familiarity and insight into our affairs that our directors have accumulated during their tenure, while contributing to the Board's ability to work as a collective body. Accordingly, it is the policy of the Nominating and Corporate Governance Committee, absent special circumstances, to nominate qualified incumbent directors who continue to satisfy the criteria for membership on the Board, and who the Nominating and Corporate Governance Committee believes will continue to make important contributions to the Board.

If there are Board positions for which the Nominating and Corporate Governance Committee will not be re-nominating a qualified incumbent, the Nominating and Corporate Governance Committee will consider recommendations for director nominees from a wide variety of sources, including Board members, management, business contacts, stockholders and other appropriate sources. In evaluating such recommendations, the Nominating and Corporate Governance Committee seeks to achieve a balance of knowledge, experience and capability on the Board of Directors and to address the criteria for membership set forth below under "—Qualifications of Nominees for Director."

Directors are elected annually by the stockholders and serve for one year terms until the next annual meeting of stockholders. As a result, the terms of all five directors expire at the Annual Meeting. Accordingly, five persons will be elected as directors at the Annual Meeting. Matthew L. Chretien, Rye D'Orazio, Robert Schroeder, Murray Gross, and Sophie Pibouin were unanimously recommended for re-election by the Board, based upon their qualifications, expertise, skills and upon their prior experience on our Board.

Qualifications of Nominees for Director

The Nominating and Corporate Governance Committee is responsible for reviewing the requisite qualifications and skills of director candidates in the context of the current composition of the Board, our operating requirements and the long-term interests of our stockholders. While the Nominating and Corporate Governance Committee has not established specific requirements or policies regarding age, education, years of experience, diversity or specific types of skills for potential candidates, it analyzes certain criteria and qualifications that candidates for membership on the Board of Directors should possess. No particular criterion is necessarily applicable to all prospective nominees. Except in limited and exceptional circumstances, each candidate to serve on the Board of Directors should have the following qualifications:

- A reputation for high personal and professional integrity, strong moral character and adherence to our high ethical standards and values.
- The absence of any conflict of interest (whether due to a business or personal relationship) or legal impediment to, or restriction on, the candidate serving as a director, and no other interests that would materially impair the candidate's ability to (i) exercise independent judgment, or (ii) otherwise discharge the fiduciary duties owed as a director to us and our stockholders.
- Holds or has held a recognized position of leadership in the candidate's community or the candidate's field of endeavor, and has demonstrated high levels of achievement in the candidate's community or field.
- Business acumen and experience, inquisitiveness, strong analytical skills and the ability to exercise sound business judgment and common sense in matters that relate to our current and long-term objectives.
- A general level of expertise and experience in our business areas.
- The ability to read and understand basic financial statements and other financial information pertaining to us.
- A commitment to understanding our company and our business, industry and strategic objectives.
- The availability and a commitment to devote adequate time to the Board and its committees and the ability to generally fulfill all responsibilities as a member of our Board of Directors, including to regularly attend and participate in meetings of the Board, Board committees and stockholders, in light of the number of other company boards on which the candidate serves and the candidate's other personal and professional commitments.
- The willingness and ability to represent fairly and to act in the interests of all of our stockholders rather than the interests of any particular stockholder, special interest group or other constituency.
- For prospective non-employee directors, independence under SEC rules and regulations.
- The willingness to accept the nomination to serve as a member of our Board of Directors.
- Whether the prospective nominee will foster a diversity of skills, experiences and backgrounds on the Board.
- Whether the prospective nominee possesses the requisite education, training and experience to qualify as "financially literate" or as an "audit committee financial expert" under applicable SEC rules.
- For incumbent directors standing for re-election, the incumbent director's performance during his term, including the number of meetings attended, the level of participation, and overall contribution to the Board.
- The composition of the Board and whether the prospective nominee will add to or complement the Board's existing strengths.

From time to time the Nominating and Corporate Governance Committee may identify certain other skills or attributes as being particularly desirable to help meet specific Board needs that have arisen. While our Board has not adopted a specific or formal policy on diversity with respect to directors, they share a commitment to an inclusive culture, endorse equal opportunity principles and practices and seek nominees with a broad diversity of experience, professions, skills, geographic representation and backgrounds. We believe that the backgrounds and qualifications of the members of the Board, considered as a group, should provide a broad mix of experience, knowledge and abilities that will allow the Board to fulfill its responsibilities. The Board is committed to nondiscrimination on the basis of gender, race, religion, national origin, sexual orientation, disability or any other basis proscribed by law in selecting nominees.

Recommendations and Nominations by Stockholders

The policy of the Nominating and Corporate Governance Committee is to consider properly submitted written nominations from stockholders for nominees for director. In general, persons properly recommended by stockholders as nominees for director are evaluated on the same basis as candidates recommended by other sources. Any stockholder recommendations for consideration by the Nominating and Corporate Governance Committee should include the candidate's name, biographical information, information regarding any relationships between the candidate and us, personal references, a statement of recommendation of the candidate from the stockholder, a description of the shares beneficially owned by the stockholder, a description of all arrangements between the candidate and the recommending stockholder and any other person pursuant to which the candidate is being recommended, a written indication of the candidate's willingness to serve on the Nominating and Corporate Governance Committee and a written indication to provide such other information as the Nominating and Corporate Governance Committee may reasonably request.

Role of the Board in Risk Oversight

Risk is inherent in every business. We face a number of risks, including operational, financial, legal, regulatory, safety, strategic and reputational risks. While management is responsible for the day-to-day management of the risks we face, the role of our Board is to engage in the oversight of risk management and encourage management to promote a culture that actively manages risks as a part of our corporate strategy and operations. The Board's role in the risk oversight process includes regular communication with members of senior management on areas of material risk to us, which enables the Board to understand our risk identification, assessment and management and our risk mitigation strategies. There is not separate Risk Committee.

Each Board committee considers risk within its areas of responsibilities and keeps the Board regularly informed through committee reports about such risks. The Audit Committee assists the Board with respect to risk management primarily in the areas of accounting, financial reporting, internal controls and compliance with legal and regulatory requirements. The Compensation Committee assists the Board primarily with respect to the management of risks related to our compensation programs, policies and practices. This allocation of risk oversight responsibilities enables the Board of Directors and its committees to coordinate the risk oversight role. The full Board considers our risk profile and focus on the most significant risk factors facing us with the goal of ensuring that all material risks are identified and appropriate risk mitigation measures are implemented.

We believe that the Board's leadership structure, as discussed above, is consistent with the roles of the Board and the Board committees in risk oversight. The Board has found that its current structure, with the separation of the roles of the Chairman of the Board and the Chief Executive Officer, supports the Board's risk oversight activities, because the Chief Executive Officer and other members of senior management have responsibility for the management of risk and our Board, led by our Chairman, provides oversight of that risk management, and because various aspects of risk oversight are allocated among the committees of the Board within their areas of responsibility.

Codes of Ethics

We have adopted a code of ethics, each designed to encourage our directors, officers and employees to act with the highest level of integrity. This code is available on the Investor Relations section of our website at www.intellinetics.com.

The Intellinetics, Inc. Code of Business Conduct and Ethics is a code of conduct that applies to all of our directors, officers and employees. Under the Code of Business Conduct and Ethics, each officer, director and employee is required to maintain a commitment to high standards of business conduct and ethics. The Code of Business Conduct and Ethics covers many areas of professional conduct, including conflicts of interest, protection of confidential information, and strict adherence to laws and regulations applicable to the conduct of our business. Directors, officers and employees are required to report any conduct that they believe in good faith to be an actual or apparent violation of the Code of Business Conduct and Ethics.

If we make any amendment to, or grant any waiver from a provision of, our code of conduct with respect to any director, executive officer or senior financial officer, we will disclose the nature of such amendment or waiver on our website, in a Current Report on Form 8-K or both.

Compensation Committee Interlocks and Insider Participation

All members of the Compensation Committee are independent directors. No member of the Compensation Committee is or has ever been an officer or employee of us or of any of our subsidiaries. None of our executive officers serves as a member of the board of directors or of the compensation committee of any other entity that has one or more executive officers serving as a member of our Board of Directors or of our Compensation Committee.

Access to Management and Outside Advisors

Our directors have full and unrestricted access to our management and employees. Our Board of Directors and its committees have the right to retain outside advisors and consultants of their choosing at our expense, without the consent or approval of management.

Communications with the Board of Directors

While the Board believes that management speaks for our company, any stockholder who wishes to communicate directly with the Board of Directors, any committee of the Board or any individual director may do so by directing a written request addressed to such director or directors as follows:

PROPOSAL 1

ELECTION OF DIRECTORS

The Board of Directors currently consists of five members. Under our Articles of Incorporation and Bylaws, the members of the Board must be re-elected each year at the Annual Meeting of the Stockholders. Each director serves in office until the expiration of his term and until his successor is duly elected and qualified.

The terms of all five directors expire at the Annual Meeting: Matthew L. Chretien, Rye D'Orazio, Robert C. Schroeder, Sophie Pibouin, and Murray Gross. Therefore, five directors will be elected at the Annual Meeting.

The Board of Directors has unanimously nominated Matthew L. Chretien, Rye D'Orazio, Robert C. Schroeder, Sophie Pibouin, and Murray Gross to be re-elected as directors at the Annual Meeting, to serve as directors for a term of one year.

Matthew L. Chretien, Rye D'Orazio, Robert C. Schroeder, Sophie Pibouin, and Murray Gross, have each agreed to continue to serve as a director if re-elected by the stockholders at the Annual Meeting. The Board of Directors has no reason to believe that the nominees will be unable to serve. However, if any nominee should become unexpectedly unable to serve as a director, then the persons appointed as proxies in the accompanying proxy card intend to vote for such other nominee as the Board of Directors may designate unless the size of the Board is reduced by the Board of Directors.

Set forth below is information as of the date of this proxy statement about the nominees. In addition to the information presented below regarding the specific experience, qualifications, attributes and skills of each nominee that led our Board of Directors to conclude that such person should serve as a director, we also believe that each nominee has demonstrated a high level of leadership experience, business acumen, integrity and honesty, and an ability to exercise sound judgment and deal with complex problems, as well as a commitment of service to our company and our Board. Our Board of Directors believes that these skills and qualifications, combined with the diverse backgrounds, experience, expertise and perspectives of our directors, contribute to robust and productive discussions in the boardroom and the ability of the Board to work in a positive and collegial fashion that benefits our company and our stockholders by creating a strong and effective Board of Directors. The Board considers the composition of the Board in light of our evolving business requirements and its assessment of the Board's performance to ensure that the Board has the appropriate mix of skills and experiences needed for the broad set of challenges that it confronts and the responsibilities it has. Based on all of these qualifications, the Board of Directors believes that each nominee has the appropriate set of skills and qualifications to serve as members of the Board and to benefit our company and our stockholders as Board members.

PROPOSAL 2

RATIFICATION OF APPOINTMENT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

Proposal

The Audit Committee of the Board of Directors has appointed GBQ Partners LLC (“GBQ”) to serve as our independent registered public accounting firm for the fiscal year ending December 31, 2016. GBQ has served as our independent registered public accounting firm since September 4, 2012.

At the Annual Meeting, our stockholders will be asked to ratify the Audit Committee’s appointment of GBQ as our registered public accounting firm for fiscal year 2016. While stockholder ratification of the appointment of GBQ is not required by our by-laws or by any other applicable legal requirement, we are submitting this appointment to our stockholders for ratification as a matter of good corporate governance. If our stockholders do not ratify the appointment of GBQ, then the Audit Committee will reconsider the appointment, although it may still determine to retain this appointment. Even if the appointment of GBQ is ratified by our stockholders, the Audit Committee may, in its discretion, appoint a different independent registered public accounting firm at any time during the year if it determines that such a change would be in the best interests of our company and our stockholders.

We expect that one or more representatives of GBQ will be present telephonically at the Annual Meeting, and will be available to respond to appropriate questions and have the opportunity to make a statement if they desire to do so.

Indemnification of Officers and Directors

The Nevada General Corporation Law and our bylaws provide for the indemnification of directors, officers and certain other persons in the circumstances outlined below.

Actions other than by the Company

The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative, except an action by or in the right of the Company, by reason of the fact that such person is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or other entity, against expenses, including attorneys' fees, judgments, fines and amounts paid in settlement, actually and reasonably incurred by such person in connection with the action, suit or proceeding if (i) such person is not liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of the law, or (ii) such person acted in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Company, and, with respect to any criminal action or proceeding, had no reasonable cause to believe that his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, does not, of itself, create a presumption that the person (i) was liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of the law, or (ii) did not act in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Company, and that, with respect to any criminal action or proceeding, such person had reasonable cause to believe that his or her conduct was unlawful.

Actions by the Company

The Company may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Company to procure a judgment in its favor by reason of the fact that such person is or was a director, officer, employee or agent of the Company, or is or was serving at the request of the Company as a director, officer, employee or agent of another corporation or other entity, against expenses, including amounts paid in settlement and attorneys' fees actually and reasonably incurred by such person in connection with the defense or settlement of the action or suit if (i) such person is not liable for a breach of fiduciary duty involving intentional misconduct, fraud or a knowing violation of the law, or (ii) such person acted in good faith and in a manner which such person reasonably believed to be in or not opposed to the best interests of the Company. Indemnification may not be made for any claim, issue or matter as to which such person has been adjudged by a court of competent jurisdiction to be liable to the Company or for amounts paid in settlement to the Company, unless and only to the extent that the court in which the action or suit was brought or other court of competent jurisdiction determines upon application that in view of all the circumstances of the case, the person is fairly and reasonably entitled to indemnity for such expenses as the court deems proper.

Successful Defense

To the extent that a director, officer, employee or agent of the Company has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to above, or in defense of any claim, issue or matter therein, he or she must be indemnified by the Company against expenses, including attorneys' fees, actually and reasonably incurred by such person in connection with the defense.

Required Approval

Any discretionary indemnification, unless ordered by a court, must be made by the Company only as authorized in the specific case upon a determination that indemnification of a director, officer, employee or agent is proper in the circumstances. The determination must be made by (i) the stockholders, (ii) by the board of directors by a majority vote of a quorum consisting of directors who were not parties to the action, suit or proceeding, (iii) if a majority of a quorum consisting of directors who were not parties to the action, suit or proceeding so orders, by independent legal counsel in a written opinion, or (iv) if a quorum consisting of directors who were not parties to the action, suit or proceeding cannot be obtained, by independent legal counsel in a written opinion.

Advance of Expenses

The articles of incorporation, the bylaws, or an agreement made by the Company may provide that the expenses of officers and directors incurred in defending a civil or criminal action, suit or proceeding must be paid by the Company as they are incurred and in advance of the final disposition of the action, suit or proceeding, upon receipt of an undertaking by or on behalf of the officer or director to repay the amount if it is ultimately determined by a court of competent jurisdiction that he or she is not entitled to be indemnified by the Company.

Other Rights

The indemnification provisions above and the advancement of expenses (i) do not exclude any other rights to which a person seeking indemnification or advancement of expenses may be entitled for either an action in his or her official capacity or an action in another capacity while holding office, except that indemnification, unless ordered by a court or for the advancement of expenses, may not be made to or on behalf of any director or officer if a final adjudication establishes that his or her acts or omissions involved intentional misconduct, fraud or a knowing violation of the law and were material to the cause of the action, and (ii) continue for a person who has ceased to be a director, officer, employee or agent and inures to the benefit of the heirs, executors and administrators of such person.

Intellinetics has obtained liability insurance for its directors and officers covering, subject to exceptions, any actual or alleged negligent act, error, omission, misstatement, misleading statement, neglect or breach of duty by such directors or officers, individually or collectively, in the discharge of their duties in their capacities as directors and officers of the Company.

AUDIT COMMITTEE REPORT

The Audit Committee of the Board of Directors currently consists of three members of the Board, each of whom is independent under our standards of director independence. In accordance with Rule 407(c)(a)(ii) of Regulation S-K, we use the definition of independence as set forth in the rules of the NASDAQ Stock Market. The Audit Committee met four times during 2015 and operates under a formal written charter, which has been approved by the Board of Directors. The Audit Committee reviews and assesses the adequacy of its charter on an annual basis.

Our management is responsible for the preparation, presentation and integrity of our financial statements and for establishing and maintaining the integrity of our accounting and financial reporting processes, including our system of internal control over financial reporting, the audit process and the process for monitoring compliance with laws and regulations and ethical business standards. Our independent registered public accounting firm is responsible for performing an independent audit of our annual consolidated financial statements in accordance with generally accepted auditing standards and expressing an opinion and issuing a report as to the conformity of such financial statements with generally accepted accounting principles, as well as for issuing a report on the effectiveness of our internal control over financial reporting. The role of the Audit Committee is to assist the Board of Directors in fulfilling its responsibilities to monitor and oversee the quality and integrity of these financial reporting processes, including reviewing the annual and quarterly financial information in the Company's SEC reports and filings, and evaluating our system of internal controls established by our management. Additionally, the Audit Committee has the sole authority to appoint, retain, fix the compensation and other terms of, oversee and terminate our independent registered public accounting firm and to grant the prior approval of the nature and scope of and the fee arrangements for audit and permitted non-audit services by our independent registered public accounting firm.

In discharging its oversight responsibilities, the Audit Committee reviewed and discussed with management and with GBQ Partners LLC ("GBQ"), our independent registered public accounting firm, our audited consolidated financial statements for the fiscal year ended December 31, 2015. The Audit Committee met with GBQ, with and without management present, to discuss and review the results of their examination of our financial statements, our internal control over financial reporting and the overall quality and acceptability of our financial reporting and accounting principles. The Audit Committee also discussed with GBQ the matters required to be discussed by Statement on Auditing Standards No. 16, "Communication with Audit Committees," as amended, as adopted by the Public Company Accounting Oversight Board. The Audit Committee also considered and discussed with management and GBQ other areas of oversight relating to the financial reporting and audit process that the Audit Committee determined appropriate.

In addition, the Audit Committee received from GBQ the written disclosures and the letter from GBQ required by applicable requirements of the Public Company Accounting Oversight Board regarding the independent registered public accounting firm's communications with the Audit Committee concerning independence. The Audit Committee discussed with GBQ their independence and considered the compatibility of non-audit services performed by GBQ with their independence.

Based upon the reviews and discussions referred to above, the Audit Committee recommended to the Board of Directors that our audited consolidated financial statements be included in our Annual Report on Form 10-K for the fiscal year ended December 31, 2015, which we filed with the SEC on March 28, 2016. In addition, the Audit Committee appointed GBQ as our independent registered public accounting firm for the fiscal year ending December 31, 2016, and recommends that stockholders ratify that appointment.

The members of the Audit Committee are not professional accountants or members of a registered public accounting firm, and, as specified in its charter, it is not the duty of the Audit Committee to prepare financial statements, to plan or conduct audits or to determine that our consolidated financial statements are complete and accurate and in accordance with generally accepted accounting principles. In discharging its duties, the Audit Committee has relied on (i) management's representation that our annual consolidated financial statements were prepared with integrity and objectivity and in accordance with generally accepted accounting principles, and (ii) the report of our independent registered public accounting firm with respect to such financial statements.
