On December 30, 2016 and January 6, 2017, Intellinetics, Inc. (the "Company"), entered into a note purchase agreement (the "Purchase Agreement") with certain accredited investors (the "Investors"), pursuant to which it sold an aggregate principal amount of \$1,092,000 in 12% Subordinated Convertible Notes ("Notes"), for \$867,000 in cash and the exchange of \$225,000 principal face amount of promissory notes previously issued by the Company. The Notes are convertible into shares of the Company's common stock, par value \$0.001 per share ("Common Stock") at a conversion price of \$0.65 per share (the "Offering"). The Company intends to use the net proceeds of the Offering for working capital and general corporate purposes.

The Notes, together with any accrued and unpaid interest, become due and payable on December 31, 2018 (the "Maturity Date"). Interest on the Notes will accrue at the rate of 12% per annum, of which (i) 6% shall be payable quarterly in cash in arrears on the first day of each quarter, and (ii) 6% per annum (the "Deferred Interest Amount"), which shall accrue and become due on the Maturity Date. If any quarterly interest payment is not made by its payment date, then the Deferred Interest Amount for such quarterly interest payment shall increase from 6% to 8%. Any amounts remaining outstanding after the Maturity Date will accrue interest at the rate of 14% per annum. The Notes will be convertible into Common Stock at a conversion price of \$0.65 per share at the discretion of the holder, with special provisions applying to any holder whose conversion would result in the holder beneficially owning more than 4.99% of the Company's Common Stock. The Company will provide the Note holders with limited piggyback registration rights with respect to the resale of the Common Stock into which the Notes may be converted. The form of the Notes is incorporated as Exhibit 10.2 to this Report, and the summary description of the terms of the Notes contained herein is qualified in its entirety by reference to Exhibit 10.2.

Of the Notes sold, a Note with a principal amount of \$250,000 was sold to Michael N. Taglich, a beneficial owner of more than 10% of the Company's Common Stock. As payment for such Note, Mr. Taglich (i) paid \$150,000 in cash and (ii) cancelled an existing convertible note issued by the Company with a principal amount of \$100,000, dated November 30, 2016.

Also among the Notes sold, a Note with a principal amount of \$100,000 was sold to Robert F. Taglich, a beneficial owner of more than 10% of the Company's Common Stock. As payment for such Note, Mr. Taglich cancelled an existing convertible note issued by the Company with a principal amount of \$100,000, dated November 30, 2016.

Also among the Notes sold, a Note with a principal amount of \$25,000 was sold to Robert C. Schroeder, a director of the Company. As payment for such Note, Mr. Schroeder cancelled an existing convertible note issued by the Company with a principal amount of \$25,000, dated November 30, 2016.

The Company retained Taglich Brothers, Inc. (the "Placement Agent") as the exclusive placement agent for the Offering. In connection with the Offering, the Company paid the Placement Agent a cash payment of \$100,000, which represented an 8% commission of the gross proceeds. The Company has also committed to reimburse the Placement Agent for reasonable out of pocket expenses, FINRA filing fees and related legal fees in an amount of up to \$30,000. In addition, the Placement Agent earned warrants to purchase 134,400 shares of Common Stock, which represented 8% of the shares of Common Stock into which the Notes sold in the Offering are convertible (the "Placement Agent Warrants"), which have an exercise price of \$0.75 per share, will be exercisable for a period of five years, contain customary cashless exercise and anti-dilution protection and are entitled to registration rights. The Placement Agent has certain material relationships with the Company: Robert Schroeder is a Director of the Company and also the Vice President of Investment Banking at the Placement Agent; Michael Taglich is a beneficial owner of more than 10% of the Company's Common Stock and also the Co-Founder, President & Chairman of the Placement Agent; and Robert Taglich is a beneficial owner of more than 10% of the Company's Common Stock and also the Co-Founder and Managing Director of the Placement Agent.

The Notes sold in the Offering were not registered under the Securities Act of 1933, as amended (the "Securities Act"), or the securities laws of any state, and were offered and sold in reliance on the exemption from registration afforded by Section 4(a)(2) and Regulation D (Rule 506) under the Securities Act and corresponding provisions of state securities laws, which exempt transactions by an issuer not involving any public offering. The Investors are "accredited investors" as such term is defined in Regulation D promulgated under the Securities Act. This Current Report shall not constitute an offer to sell or the solicitation of an offer to buy, nor shall such securities be offered or sold in the United States absent registration or an applicable exemption from the registration requirements and certificates evidencing such securities contain a legend stating the same.

The foregoing descriptions of the Purchase Agreement, Notes, and Placement Agent Warrants are qualified in their entirety by reference to the full text of the Purchase Agreement, Notes, and Placement Agent Warrants, copies of each of which are attached as exhibits 10.1-10.3, respectively, hereto.

The Company also issued an aggregate of 61,110 shares of Common Stock on January 5, 2017, to its outside directors, as part of its annual director compensation previously disclosed by the Company in the Company's Schedule 14A Definitive Proxy Statement, filed on May 16, 2016.

As of their respective dates, the financial statements of the Company included in the SEC Documents ("Company Financial Statements") complied as to form in all material respects with applicable accounting requirements and the published rules and regulations of the SEC with respect thereto. The Company Financial Statements have been prepared in accordance with United States generally accepted accounting principles, consistently applied, during the periods involved (except (i) as may be otherwise indicated in such financial statements or the notes thereto, or (ii) in the case of unaudited interim statements, to the extent they may not include footnotes or may be condensed or summary statements) and fairly present in all material respects the consolidated financial position of the Company and its consolidated Subsidiaries as of the dates thereof and the consolidated results of their operations and cash flows for the periods then ended (subject, in the case of unaudited statements, to normal year-end audit adjustments). Except as set forth in the Company Financial Statements, the Company has no liabilities, contingent or otherwise, other than: (i) liabilities incurred in the ordinary course of business subsequent to September 30, 2016 (the fiscal period end of the Company's most recently-filed periodic report), and (ii) obligations under contracts and commitments incurred in the ordinary course of business and not required under generally accepted accounting principles to be reflected in such financial statements, which, individually or in the aggregate, are not material to the financial condition or operating results of the Company.

(b) The shares of Common Stock are currently traded on the OTCQB. Except as set forth in the SEC Documents, the Company has not received notice (written or oral) from the OTC Markets or the Financial Industry Regulatory Authority, Inc. to the effect that the Company is not in compliance with the continued listing and maintenance requirements of such market. The Company is in material compliance with all such listing and maintenance requirements.

4 . 6 Permits; Compliance. The Company and each of its Subsidiaries is in possession of all franchises, grants, authorizations, licenses, permits, easements, variances, exemptions, consents, certificates, approvals and orders necessary to own, lease and operate its properties and to carry on its business as it is now being conducted (collectively, the "Company Permits"), and there is no action pending or, to the knowledge of the Company, threatened regarding suspension or cancellation of any of the Company Permits. Neither the Company nor any of its Subsidiaries is in conflict with, or in default or violation of, any of the Company Permits, except for any such conflicts, defaults or violations which, individually or in the aggregate, would not reasonably be expected to have a Material Adverse Effect. Since September 30, 2016, neither the Company nor any of its Subsidiaries has received any notification with respect to possible conflicts, defaults or violations of applicable laws, except for notices relating to possible conflicts, defaults or violations, which conflicts, defaults or violations would not have a Material Adverse Effect.

4 . 7 Litigation. Except as set forth in the SEC Documents, there is no action, suit, claim, proceeding, inquiry or investigation before or by any court, public board, government agency, self-regulatory organization or body pending or, to the knowledge of the Company or any of its Subsidiaries, threatened against or affecting the Company or any of its Subsidiaries, or their respective businesses, properties or assets or their officers or directors in their capacity as such, that would have a Material Adverse Effect. The Company is unaware of any facts or circumstances which might give rise to any of the foregoing. There has not been, and to the Company's Knowledge, there is not pending or contemplated, any investigation by the SEC involving the Company, any of its Subsidiaries or any current or former director or executive officer of the Company or any of its Subsidiaries.

4.8 No Material Changes.

(a) Since September 30, 2016, except as set forth in the SEC Documents, there has not been:

(i) Any material adverse change in the financial condition, operations or business of the Company from that shown on the Company Financial Statements, or any material transaction or commitment effected or entered into by the Company outside of the ordinary course of business;

(ii) Any effect, change or circumstance which has had, or could reasonably be expected to have, a Material Adverse Effect; or

(iii) Any incurrence of any material liability outside of the ordinary course of business.

4.9 No General Solicitation. Neither the Company nor any person participating on the Company's behalf in the transactions contemplated hereby has conducted any "general solicitation," as such term is defined in Regulation D promulgated under the Securities Act, with respect to any of the Notes being offered hereby.

4.10 No Integrated Offering. Neither the Company, nor any of its affiliates, nor any person acting on its or their behalf, has directly or indirectly made any offers or sales in any security or solicited any offers to buy any security under circumstances that would require registration under the Securities Act of the issuance of the Securities to the Investors. The issuance of the Securities to the Investors will not be integrated with any other issuance of the Company's securities (past, current or future) for purposes of any stockholder approval provisions applicable to the Company or its securities.

4.11 No Brokers. Except as set forth in Section 9.1, the Company has taken no action which would give rise to any claim by any person for brokerage commissions, transaction fees or similar payments relating to this Agreement or the transactions contemplated hereby.

4.12 Internal Controls. The Company is in material compliance with the provisions of the Sarbanes-Oxley Act of 2002 currently applicable to the Company. The Company and the Subsidiaries maintain a system of internal accounting controls sufficient to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. The Company has established disclosure controls and procedures (as defined in Exchange Act Rules 13a-14 and 15d-14) for the Company and designed such disclosure controls and procedures to ensure that material information relating to the Company, including the Subsidiaries, is made known to the certifying officers by others within those entities, particularly during the period in which the Company's most recently filed period report under the Exchange Act, as the case may be, is being prepared. The Company's certifying officers have evaluated the effectiveness of the Company's controls and procedures as of the end of the period covered by the most recently filed periodic report under the Exchange Act (such date, the "Evaluation Date"). The Company presented in its most recently filed periodic report under the Exchange Act the conclusions of the certifying officers about the effectiveness of the disclosure controls and procedures based on their evaluations as of the Evaluation Date. Since the Evaluation Date, there have been no significant changes in the Company's internal controls (as such term is defined in Item 308 of Regulation S-K) or, to the Company's Knowledge, in other factors that could significantly affect the Company's internal controls. The Company maintains and will continue to maintain a standard system of accounting established and administered in accordance with GAAP and the applicable requirements of the Exchange Act.

4.13 Form D: Blue Sky Laws. The Company agrees to file a Form D with respect to the Notes as required under Regulation D within five (5) business days after the First Closing and to provide a copy thereof to the Placement Agent promptly after such filing. The Company shall take such action as the Company shall reasonably determine is necessary to qualify the Securities for sale to the Investors at the applicable Closing pursuant to this Agreement under applicable securities or "blue sky" laws of the states of the United States (or to obtain an exemption from such qualification).

4.14 Disclosure. The Company confirms that neither it nor any other Person acting on its behalf has provided any of the Investors or their agents or counsel with any information that constitutes or could reasonably be expected to constitute material, non-public information concerning the Company or any of its Subsidiaries, other than the existence of the transactions contemplated by this Agreement and the other Transaction Documents. The Company understands and confirms that each of the Investors will rely on the foregoing representations in effecting transactions in securities of the Company. All disclosure provided to the Investors regarding the Company and its Subsidiaries, their businesses and the transactions contemplated hereby, including the schedules to this Agreement, furnished by or on behalf of the Company or any of its Subsidiaries is true and correct in all material respects and does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made therein, in the light of the circumstances under which they were made, not misleading. Each press release issued by the Company or any of its Subsidiaries during the twelve (12) months preceding the date of this Agreement did not at the time of release contain any untrue statement of a material fact or omit to state a material fact required to be stated therein or necessary in order to make the statements therein, in the light of the circumstances under which they are made, not misleading. No event or circumstance has occurred or information exists with respect to the Company or any of its Subsidiaries or its or their business, properties, liabilities, results of operations or financial conditions, which, under applicable law, rule or regulation, requires public disclosure at or before the date hereof or announcement by the Company but which has not been so publicly disclosed. The Company acknowledges and agrees that no Investor makes or has made any representations or warranties with respect to the transactions contemplated hereby other than those specifically set forth in Section 3.

4.15 Intellectual Property Rights. The Company and its Subsidiaries own or possess adequate rights or licenses to use all trademarks, trade names, service marks, service mark registrations, service names, patents, patent rights, copyrights, original works, inventions, licenses, approvals, governmental authorizations, trade secrets and other intellectual property rights and all applications and registrations therefor ("Intellectual Property Rights") necessary to conduct their respective businesses as now conducted and as presently proposed to be conducted. None of the Company's or its Subsidiaries' Intellectual Property Rights have expired, terminated or been abandoned, or are expected to expire, terminate or be abandoned, within two (2) years from the date of this Agreement. The Company has no knowledge of any infringement by the Company or any of its Subsidiaries of Intellectual Property Rights of others. Except as set forth in the SEC Documents, there is no claim, action or proceeding being made or brought, or to the Company's Knowledge, being threatened, against the Company or any of its Subsidiaries regarding their Intellectual Property Rights. The Company is not aware of any facts or circumstances which might give rise to any of the foregoing infringements or claims, actions or proceedings. The Company and each of its Subsidiaries have taken reasonable security measures to protect the secrecy, confidentiality and value of all of their Intellectual Property Rights, except where failure to take such measures would not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect.

4.16 Tax Status. Except for occurrences that would not, either individually or in the aggregate, reasonably be expected to result in a Material Adverse Effect, the Company and each of its Subsidiaries (i) has timely made or filed all foreign, federal and state income and all other tax returns, reports and declarations required by any jurisdiction to which it is subject, (ii) has timely paid all taxes and other governmental assessments and charges that are material in amount, shown or determined to be due on such returns, reports and declarations, except those being contested in good faith and (iii) has set aside on its books provision reasonably adequate for the payment of all taxes for periods subsequent to the periods to which such returns, reports or declarations apply. There are no unpaid taxes in any material amount claimed to be due by the taxing authority of any jurisdiction, and the officers of the Company and its Subsidiaries know of no basis for any such claim. The Company is not operated in such a manner as to qualify as a passive foreign investment company, as defined in Section 1297 of the U.S. Internal Revenue Code of 1986, as amended.

4.17 Acknowledgement Regarding Investors' Trading Activity. It is understood and acknowledged by the Company that (i) following the public disclosure of the transactions contemplated by the Transaction Documents in accordance with the terms thereof, none of the Investors have been asked by the Company or any of its Subsidiaries to agree, nor has any Investor agreed with the Company or any of its Subsidiaries, to desist from effecting any transactions in or with respect to (including, without limitation, purchasing or selling, long and/or short) any securities of the Company, or "derivative" securities based on securities issued by the Company or to hold any of the Securities for any specified term; (ii) any Investor, and counterparties in "derivative" transactions to which any such Investor is a party, directly or indirectly, presently may have a "short" position in the Common Stock which was established prior to such Investor's knowledge of the transactions contemplated by the Transaction Documents; and (iii) each Investor shall not be deemed to have any affiliation with or control over any arm's length counterparty in any "derivative" transaction. The Company further understands and acknowledges that following the public disclosure of the transactions contemplated by the Transaction Documents, one or more Investors may engage in hedging and/or trading activities at various times during the period that the Securities are outstanding, and such hedging and/or trading activities, if any, can reduce the value of the existing stockholders' equity interest in the Company both at and after the time the hedging and/or trading activities are being conducted. The Company acknowledges that such aforementioned hedging and/or trading activities do not constitute a breach of this Agreement or any other Transaction Document or any of the documents executed in connection herewith or therewith.

4.18 Manipulation of Price. Neither the Company nor any of its Subsidiaries has, and, to the Company's Knowledge, no Person acting on their behalf has, directly or indirectly, (i) taken any action designed to cause or to result in the stabilization or manipulation of the price of any security of the Company or any of its Subsidiaries to facilitate the sale or resale of any of the Securities, (ii) sold, bid for, purchased, or paid any compensation for soliciting purchases of, any of the Securities (other than the Placement Agent), or (iii) paid or agreed to pay to any Person any compensation for soliciting another to purchase any other securities of the Company or any of its Subsidiaries (other than the Placement Agent).

4.19 Shell Company Status. The Company was previously a "shell issuer", as defined in Rule 144(i)(1), promulgated under the Securities Act. The Company confirms that: (i) effective February 10, 2012, it ceased to be a "shell issuer"; (ii) it has not been a "shell issuer" between February 10, 2012 and the date of this Agreement; (iii) it is subject to the reporting requirements of Section 13 of the Exchange Act; (iv) it has filed all reports and other materials required to be filed by Section 13 of the Exchange Act during the 12 month period prior to the date of this Agreement, and (v) more than one year ago, it filed current "Form 10 information", as defined in Rule 144(i)(3), with the SEC, which reflects that it is not a "shell issuer".

5. Registration Rights.

5.1. Piggyback Registration. Whenever the Company proposes to register any of its securities under the Securities Act, whether for its own account or for the account of another stockholder (except for the registration of securities (A) to be offered pursuant to an employee benefit plan on Form S-8 or (B) pursuant to a registration made on Form S-4, or any successor forms then in effect) at any time and the registration form to be used may be used for the registration of the Registrable Securities (a "Piggyback Registration"), it will so notify in writing all holders of Registrable Securities no later than the earlier to occur of (i) the tenth (10th) day following the Company's receipt of notice of exercise of other demand registration rights, or (ii) thirty (30) days prior to the anticipated filing date. Subject to the provisions of this Agreement, the Company will include in the Piggyback Registration all Registrable Securities, on a pro rata basis based upon the total number of Registrable Securities with respect to which the Company has received written requests for inclusion within ten (10) business days after the applicable holder's receipt of the Company's notice.

5.2. Expenses. All fees and expenses incident to the performance of or compliance with this Agreement by the Company shall be borne by the Company, whether or not any Registrable Securities are sold pursuant to the Registration Statement. The fees and expenses referred to in the foregoing sentence shall include, without limitation, (i) all registration and filing fees (including, without limitation, fees and expenses (A) with respect to filings required to be made with the trading market on which the Common Stock is then listed for trading, and (B) in compliance with applicable state securities or Blue Sky laws, (ii) processing expenses of the Placement Agent, including, but not limited to, printing expenses, messenger, telephone and delivery expenses and customary marketing expenses, (iii) fees and disbursements of counsel and independent public accountants for the Company, (iv) fees and disbursements of one counsel to the Placement Agent, and (v) filing fees and counsel fees of the Placement Agent if a determination is made that a FINRA Rule 5110 filing is required to be made with respect to the Registration Statement.

5.3. Offering. In the event the staff of the SEC (the "Staff") or the SEC seeks to characterize any offering pursuant to a Registration Statement filed pursuant to this Agreement as constituting an offering of securities by, or on behalf of, the Company, or in any other manner, such that the Staff or the SEC do not permit such Registration Statement to become effective and used for resales in a manner that does not constitute such an offering and that permits the continuous resale at the market by the Investors participating therein (or as otherwise may be acceptable to each Investor) without being named therein as an "underwriter," then the Company shall reduce the number of shares to be included in such Registration Statement until such time as the Staff and the SEC shall so permit such Registration Statement to become effective as aforesaid. In making such reduction, the Company shall (X) reduce, and if necessary, eliminate, in order, (i) any Registrable Securities that are not Shares or PA Warrant Shares then (ii) any Registrable Securities that are not Shares, then (Y) if necessary, reduce the number of shares to be included by all Investors on a pro rata basis (based upon the number of Registrable Securities otherwise required to be included for each Investor) unless the inclusion of shares by a particular Investor or a particular set of Investors are resulting in the Staff or the SEC's "by or on behalf of the Company" offering position, in which event the shares held by such Investor or set of Investors shall be the only shares subject to reduction (and if by a set of Investors on a pro rata basis by such Investors or on such other basis as would result in the exclusion of the least number of shares by all such Investors). In addition, in the event that the Staff or the SEC requires any Investor seeking to sell securities under a Registration Statement filed pursuant to this Agreement to be specifically identified as an "underwriter" in order to permit such Registration Statement to become effective, and such Investor does not consent to being so named as an underwriter in such Registration Statement, then, in each such case, the Company shall reduce the total number of Registrable Securities to be registered on behalf of such Investor, until such time as the Staff or the SEC does not require such identification or until such Investor accepts such identification and the manner thereof. Notwithstanding anything else to the foregoing, any reduction pursuant to this paragraph will first reduce all securities that are not Registrable Securities. In the event of any reduction in Registrable Securities pursuant to this paragraph, an affected Investor shall have the right to require, upon delivery of a written request to the Company signed by such Investor, the Company to file a registration statement within thirty (30) days of such request (subject to any restrictions imposed by Rule 415 promulgated by the SEC under the Securities Act or required by the Staff or the SEC) for resale by such Investor in a manner acceptable to such Investor, and the Company shall following such request cause to be and keep effective such registration statement in the same manner as otherwise contemplated in this Agreement for registration statements hereunder, in each case until such time as: (i) all Registrable Securities held by such Investor have been registered and sold pursuant to an effective Registration Statement in a manner acceptable to such Investor or (ii) all Registrable Securities may be resold by such Investor without restriction (including, without limitation, volume limitations) pursuant to Rule 144 (taking account of any Staff position with respect to "affiliate" status) and without the need for current public information required by Rule 144(c)(1) (or Rule 144(i)(2), if applicable) or (iii) such Investor agrees to be named as an underwriter in any such Registration Statement in a manner acceptable to such Investor as to all Registrable Securities held by such Investor and that have not theretofore been included in a Registration Statement under this Agreement (it being understood that the special demand right under this sentence may be exercised by an Investor multiple times and with respect to limited amounts of Registrable Securities in order to permit the resale thereof by such Investor as contemplated above).

5.4. Indemnification.

(a) Indemnification by the Company. The Company will indemnify and hold harmless each Investor and its officers, directors, members, shareholders, partners, representatives, employees and agents, successors and assigns, and each other person, if any, who controls such Investor within the meaning of the Securities Act, against any losses, obligations, claims, damages, liabilities, contingencies, judgments, fines, penalties, charges, costs (including, without limitation, court costs, reasonable attorneys' fees and costs of defense and investigation), amounts paid in settlement or expenses, joint or several, (collectively, "Claims") incurred in investigating, preparing or defending any action, claim, suit, inquiry, proceeding, investigation or appeal taken from the foregoing by or before any court or governmental, administrative or other regulatory agency, body or the SEC, whether pending or threatened, whether or not an indemnified party is or may be a party thereto, to which any of them may become subject insofar as such Claims (or actions or proceedings, whether commenced or threatened, in respect thereof) arise out of or are based upon: (i) any untrue statement or alleged untrue statement of any material fact contained in any Registration Statement, any preliminary prospectus or final prospectus contained therein, or the Private Placement Memorandum, or any amendment or supplement thereof; (ii) any blue sky application or other document executed by the Company specifically for that purpose or based upon written information furnished by the Company filed in any state or other jurisdiction in order to qualify any or all of the Registrable Securities under the securities laws thereof (any such application, document or information herein called a "Blue Sky Application"); (iii) the omission or alleged omission to state therein a material fact required to be stated therein or necessary to make the statements therein not misleading; (iv) any violation by the Company or its agents of any rule or regulation promulgated under the Securities Act applicable to the Company or its agents and relating to action or inaction required of the Company in connection with such registration; or (v) any failure to register or qualify the Registrable Securities included in any such Registration Statement in any state where the Company or its agents has affirmatively undertaken or agreed in writing that the Company will undertake such registration or qualification on an Investor's behalf and will reimburse such Investor, and each such officer, director or member and each such controlling person for any legal or other expenses reasonably incurred by them in connection with investigating or defending any such Claim or action; provided, however, that the Company will not be liable in any such case if and to the extent that any such loss, claim, damage or liability arises out of or is based upon an untrue statement or alleged untrue statement or omission or alleged omission so made in conformity with information furnished by such Investor or any such controlling person in writing specifically for use in such Registration Statement or Prospectus.

(b) Indemnification by the Investors. Each Investor agrees, severally but not jointly, to indemnify and hold harmless, to the fullest extent permitted by law, the Company, its directors, officers, employees, stockholders, partner, representatives and each person who controls the Company (within the meaning of the Securities Act) against any Claims resulting from any untrue statement of a material fact or any omission of a material fact required to be stated in the Registration Statement or Prospectus or preliminary prospectus or amendment or supplement thereto or necessary to make the statements therein not misleading, to the extent, but only to the extent that such untrue statement or omission is contained in any information furnished in writing by such Investor to the Company specifically for inclusion in such Registration Statement or Prospectus or amendment or supplement thereto. In no event shall the liability of an Investor be greater in amount than the dollar amount of the proceeds (net of all expense paid by such Investor in connection with any claim relating to this Section 5.3 and the amount of any damages such Investor has otherwise been required to pay by reason of such untrue statement or omission) received by such Investor upon the sale of the Registrable Securities included in the Registration Statement giving rise to such indemnification obligation.

(c) Conduct of Indemnification Proceedings. Any person entitled to indemnification hereunder shall (i) give prompt notice to the indemnifying party of any claim with respect to which it seeks indemnification and (ii) permit such indemnifying party to assume the defense of such claim with counsel reasonably satisfactory to the indemnified party; provided that any person entitled to indemnification hereunder shall have the right to employ separate counsel and to participate in the defense of such claim, but the fees and expenses of such counsel shall be at the expense of such person unless (a) the indemnifying party has agreed to pay such fees or expenses, or (b) the indemnifying party shall have failed to assume the defense of such claim or employ counsel reasonably satisfactory to such person or (c) in the reasonable judgment of any such person, based upon written advice of its counsel, a conflict of interest exists between such person and the indemnifying party with respect to such claims (in which case, if the person notifies the indemnifying party in writing that such person elects to employ separate counsel at the expense of the indemnifying party, the indemnifying party shall not have the right to assume the defense of such claim on behalf of such person); and provided, further, that the failure of any indemnified party to give notice as provided herein shall not relieve the indemnifying party of its obligations hereunder, except to the extent that such failure to give notice shall materially adversely affect the indemnifying party in the defense of any such claim or litigation. It is understood that the indemnifying party shall not, in connection with any proceeding in the same jurisdiction, be liable for fees or expenses of more than one separate firm of attorneys at any time for all such indemnified parties. No indemnifying party will, except with the consent of the indemnified party, which consent shall not be unreasonably withheld or delayed, consent to entry of any judgment or enter into any settlement that does not include as an unconditional term thereof the giving by the claimant or plaintiff to such indemnified party of a release from all liability in respect of such claim or litigation.

(d) Contribution. If for any reason the indemnification provided for in the preceding paragraphs (a) and (b) is unavailable to an indemnified party or insufficient to hold it harmless, other than as expressly specified therein, then the indemnifying party shall contribute to the amount paid or payable by the indemnified party as a result of such Claim in such proportion as is appropriate to reflect the relative fault of the indemnified party and the indemnifying party, as well as any other relevant equitable considerations. No person guilty of fraudulent misrepresentation within the meaning of Section 11(f) of the Securities Act shall be entitled to contribution from any person not guilty of such fraudulent misrepresentation. In no event shall the contribution obligation of a holder of Registrable Securities be greater in amount than the dollar amount of the proceeds (net of all expenses paid by such holder in connection with any claim relating to this Section 5.3 and the amount of any damages such holder has otherwise been required to pay by reason of such untrue or alleged untrue statement or omission or alleged omission) received by it upon the sale of the Registrable Securities giving rise to such contribution obligation.

5.5. Cooperation by Investor. Each Investor shall furnish to the Company or the Underwriter, as applicable, such information regarding the Investor and the distribution proposed by it as the Company may reasonably request in connection with any registration or offering referred to in this Section 5. Each Investor shall cooperate as reasonably requested by the Company in connection with the preparation of the registration statement with respect to such registration, and for so long as the Company is obligated to file and keep effective such registration statement, shall provide to the Company, in writing, for use in the registration statement, all such information regarding the Investor and its plan of distribution of the Shares included in such registration as may be reasonably necessary to enable the Company to prepare such registration statement, to maintain the currency and effectiveness thereof and otherwise to comply with all applicable requirements of law in connection therewith.

6. Transfer Restrictions.

6.1. Transfer or Resale. Each Investor understands that:

(i) Except as provided in the registration rights provisions set forth above, the sale or resale of all or any portion of the Securities has not been and is not being registered under the Securities Act or any applicable state securities laws, and all or any portion of the Securities may not be transferred unless:

(A) the Securities are sold pursuant to an effective registration statement under the Securities Act;

(B) the Investor shall have delivered to the Company, at the cost of the Company, a customary opinion of counsel that shall be in form, substance and scope reasonably acceptable to the Company, to the effect that the Securities to be sold or transferred may be sold or transferred pursuant to an exemption from such registration;

(C) the Securities are sold or transferred to an “affiliate” (as defined in Rule 144 promulgated under the Securities Act (or a successor rule) (“Rule 144”)) of the Investor who agrees to sell or otherwise transfer the Securities only in accordance with this Section 6.1 and who is an Accredited Investor;

(D) the Securities are sold pursuant to Rule 144; or

(E) the Securities are sold pursuant to Regulation S under the Securities Act (or a successor rule) (“Regulation S”);

and, in each case, the Investor shall have delivered to the Company, at the cost of the Company, a customary opinion of counsel, in form, substance and scope reasonably acceptable to the Company. Notwithstanding the foregoing or anything else contained herein to the contrary, the Securities may be pledged as collateral in connection with a bona fide margin account or other lending arrangement.

6.2 Transfer Agent Instructions. If an Investor provides the Company with a customary opinion of counsel, that shall be in form, substance and scope reasonably acceptable to the Company, to the effect that a public sale or transfer of such Securities may be made without registration under the Securities Act and such sale or transfer is effected, the Company shall permit the transfer and promptly instruct its transfer agent to issue one or more certificates, free from restrictive legend, in such name and in such denominations as specified by such Investor. The Company acknowledges that a breach by it of its obligations hereunder will cause irreparable harm to the Investors, by vitiating the intent and purpose of the transactions contemplated hereby. Accordingly, the Company acknowledges that the remedy at law for a breach of its obligations under this Section 6.2 may be inadequate and agrees, in the event of a breach or threatened breach by the Company of the provisions of this Section, that the Investors shall be entitled, in addition to all other available remedies, to an injunction restraining any breach and requiring immediate transfer, without the necessity of showing economic loss and without any bond or other security being required.

6.3 Public Information. At any time during the period commencing from the six (6) month anniversary of the Closing Date and ending on the two (2) year anniversary of the Closing Date, if the Company shall fail for any reason to satisfy the current public information requirement under Rule 144(c) (a “Public Information Failure”) then, in addition to such Investor’s other available remedies, the Company shall pay to each Investor, in cash, as partial liquidated damages and not as a penalty, by reason of any such delay in or reduction of its ability to sell the Shares, an amount in cash equal to one percent (1.0%) of the aggregate Purchase Price of such Investor’s Notes on the day of a Public Information Failure and on every thirtieth (30th) day (pro-rated for periods totaling less than thirty days) thereafter until the earlier of (a) the date such Public Information Failure is cured and (b) such time that such public information is no longer required for the Investors to transfer the Shares pursuant to Rule 144. The payments to which an Investor shall be entitled pursuant to this Section 6.3 are referred to herein as “Public Information Failure Payments.” Public Information Failure Payments shall be paid on the earlier of (i) the last day of the calendar month during which such Public Information Failure Payments are incurred and (ii) the third (3rd) Business Day after the event or failure giving rise to the Public Information Failure Payments is cured. In the event the Company fails to make Public Information Failure Payments in a timely manner, such Public Information Failure Payments shall bear interest at the rate of 1.5% per month (prorated for partial months) until paid in full. Nothing herein shall limit such Investor’s right to pursue actual damages for the Public Information Failure, and such Investor shall have the right to pursue all remedies available to it at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief.

7. Conditions to Closing of the Investors.

The obligation of each Investor hereunder to purchase the Notes at the Closing is subject to the satisfaction, at or before the applicable Closing Date, of each of the following conditions, provided that these conditions are for each Investor's sole benefit and may be waived by such Investor at any time in its sole discretion by providing the Company with prior written notice thereof:

7.1 Representations, Warranties and Covenants. The representations and warranties of the Company shall be true and correct in all material respects as of the date when made and as of the Closing Date as though originally made at that time (except for representations and warranties that speak as of a specific date, which shall be true and correct in all material respects as of such date) and the Company shall have performed, satisfied and complied in all material respects with the covenants, agreements and conditions required to be performed, satisfied or complied with by the Company at or prior to the Closing Date. Such Investor shall have received a certificate, executed by the Chief Executive Officer of the Company, dated as of the Closing Date, to the foregoing effect and as to such other matters as may be reasonably requested by such Investor in the form reasonably acceptable to such Investor.

7.2 Consents. The Company shall have obtained all governmental, regulatory or third party consents and approvals, if any, necessary for the sale of the Notes.

7.3 Delivery by Company. The Company shall have duly executed and delivered to such Investor (A) each of the other Transaction Documents and (B) the Notes in the Principal Amount as is set forth on Exhibit A-1 or Exhibit A-2, as the case may be, being purchased by such Investor at the Closing pursuant to this Agreement.

7.4 Legal Opinion. Such Investor shall have received the opinion of the Company's counsel, dated as of the Closing Date, in the form reasonably acceptable to such Investor.

7.5 No Material Adverse Effect. Since the date of first execution of this Agreement, no event or series of events shall have occurred that reasonably would have or result in a Material Adverse Effect.

7.6 No Prohibition. No statute, rule, regulation, executive order, decree, ruling or injunction shall have been enacted, entered, promulgated or endorsed by any court or governmental authority of competent jurisdiction that prohibits the consummation of any of the transactions contemplated by the Transaction Documents.

7.7 Other Documents. The Company shall have delivered to such Investor such other documents, instruments or certificates relating to the transactions contemplated by this Agreement as such Investor or its counsel may reasonably request.

8. Conditions to Closing of the Company.

The obligations of the Company to effect the transactions contemplated by this Agreement with each Investor are subject to the fulfillment at or prior to each Closing Date of the conditions listed below.

8.1. Representations and Warranties. The representations and warranties made by such Investor in Section 3 shall be true and correct in all material respects at the time of Closing as if made on and as of such date.

8.2. Corporate Proceedings. All corporate and other proceedings required to be undertaken by such Investor in connection with the transactions contemplated hereby shall have occurred and all documents and instruments incident to such proceedings shall be reasonably satisfactory in substance and form to the Company.

9. Miscellaneous.

9.1. Compensation of Placement Agent. 9.3 Survival of Representations and Warranties. Each party hereto covenants and agrees that the representations and warranties of such party contained in this Agreement shall survive the Closing. Each Investor shall be responsible only for its own representations, warranties, agreements and covenants hereunder.

9.4 Indemnification.

(a) The Company agrees to indemnify and hold harmless each Investor and its Affiliates and their respective directors, officers, employees and agents from and against any and all losses, claims, damages, liabilities and expenses (including without limitation reasonable attorney fees and disbursements and other expenses incurred in connection with investigating, preparing or defending any action, claim or proceeding, pending or threatened and the costs of enforcement thereof) (collectively, "Losses") to which such Person may become subject as a result of any breach of representation, warranty, covenant or agreement made by or to be performed on the part of the Company under the Transaction Documents, and will reimburse any such Person for all such amounts as they are incurred by such Person.

(b) Promptly after receipt by any Investor (the "Indemnified Person") of notice of any demand, claim or circumstances which would or might give rise to a claim or the commencement of any action, proceeding or investigation in respect of which indemnity may be sought pursuant to Section 9.4, such Indemnified Person shall promptly notify the Company in writing and the Company shall assume the defense thereof, including the employment of counsel reasonably satisfactory to such Indemnified Person, and shall assume the payment of all fees and expenses; provided, however, that the failure of any Indemnified Person so to notify the Company shall not relieve the Company of its obligations hereunder except to the extent that the Company is materially prejudiced by such failure to notify. In any such proceeding, any Indemnified Person shall have the right to retain its own counsel, but the fees and expenses of such counsel shall be at the expense of such Indemnified Person unless: (i) the Company and the Indemnified Person shall have mutually agreed to the retention of such counsel; or (ii) in the reasonable judgment of counsel to such Indemnified Person representation of both parties by the same counsel would be inappropriate due to actual or potential differing interests between them. The Company shall not be liable for any settlement of any proceeding effected without its written consent, which consent shall not be unreasonably withheld, but if settled with such consent, or if there be a final judgment for the plaintiff, the Company shall indemnify and hold harmless such Indemnified Person from and against any loss or liability (to the extent stated above) by reason of such settlement or judgment. Without the prior written consent of the Indemnified Person, which consent shall not be unreasonably withheld, the Company shall not effect any settlement of any pending or threatened proceeding in respect of which any Indemnified Person is or could have been a party and indemnity could have been sought hereunder by such Indemnified Party, unless such settlement includes an unconditional release of such Indemnified Person from all liability arising out of such proceeding.

9.5. Entire Agreement. This Agreement contains the entire agreement between the parties hereto in respect of the subject matter contained herein and supersedes all prior agreements and understandings of the parties, oral and written, with respect to the subject matter contained herein.

9.6 Third Party Beneficiaries. This Agreement is intended for the benefit of the parties hereto and their respective permitted successors and assigns, and, except for the Placement Agent and other registered broker-dealers, if any, who are specifically agreed to be and acknowledged by each party as third party beneficiaries hereof, is not for the benefit of, nor may any provision hereof be enforced by, any other person.

9.7. Successors and Assigns. This Agreement shall be binding upon and inure to the benefit of the parties and their successors and assigns. Neither the Company nor any Investor shall assign this Agreement or any rights or obligations hereunder without the prior written consent of the other. Notwithstanding the foregoing, but subject to the provisions of Section 6.1 hereof, any Investor may, without the consent of the Company, assign its rights hereunder to any person that purchases Shares in a private transaction from an Investor or to any of its "affiliates," as that term is defined under the 1934 Act.

9.8. Public Disclosures. The Company shall on or before 5:30 p.m., New York time, on the fourth Business Day after the date of this Agreement, file a Current Report on Form 8-K describing all the material terms of the transactions contemplated by the Transaction Documents in the form required by the 1934 Act and attaching all the material Transaction Documents (including, without limitation, this Agreement (and all schedules to this Agreement) (including all attachments, the “8-K Filing”). From and after the issuance of the 8-K Filing, the Company shall have disclosed all material, non-public information (if any) delivered to any of the Investors by the Company in connection with the transactions contemplated by the Transaction Documents. Neither the Company nor any Investor shall issue any press releases or any other public statements with respect to the transactions contemplated hereby; provided, however, the Company shall be entitled, without the prior approval of any Investor, to make a press release or other public disclosure with respect to such transactions (i) in substantial conformity with the 8-K Filing and contemporaneously therewith and (ii) as is required by applicable law and regulations (provided that in the case of clause (i) each Investor shall be consulted by the Company in connection with any such press release or other public disclosure prior to its release). Without the prior written consent of the applicable Investor (which may be granted or withheld in such Investor’s sole discretion), the Company shall not disclose the name of such Investor in any filing (other than any Registration Statement registering the Shares and any other filing as is required by applicable law and regulations), announcement, release or otherwise.

9.9. Binding Effect: Benefits. This Agreement and all the provisions hereof shall be binding upon and inure to the benefit of the parties hereto and their respective successors and permitted assigns; nothing in this Agreement, expressed or implied, is intended to confer on any persons other than the parties hereto or their respective successors and permitted assigns, any rights, remedies, obligations or liabilities under or by reason of this Agreement.

9.10. Amendment: Waivers. All modifications, amendments or waivers to this Agreement shall require the written consent of both the Company and a majority-in-interest of the Investors (based on the principal face amount of Notes then currently outstanding).

9.11. Applicable Law: Disputes. This Agreement shall be governed by and construed in accordance with the laws of the State of New York without giving effect to the conflict of law provisions thereof, and the parties hereto irrevocably submit to the exclusive jurisdiction of the United States District Court for the Southern District of New York, or, if jurisdiction in such court is lacking, the Supreme Court of the State of New York, New York County, in respect of any dispute or matter arising out of or connected with this Agreement

9.12. Further Assurances. Each party hereto shall do and perform or cause to be done and performed all such further acts and shall execute and deliver all such other agreements, certificates, instruments and documents as any other party hereto reasonably may request in order to carry out the intent and accomplish the purposes of this Agreement and the consummation of the transactions contemplated hereby.

9.13. Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original and all of which taken together shall constitute one and the same instrument. This Agreement may also be executed via facsimile or by e-mail delivery of a “pdf” format data file, which shall be deemed an original.

9.14 Independent Nature of Investors. The obligations of each Investor under this Agreement or other transaction document are several and not joint with the obligations of any other Investor, and no Investor shall be responsible in any way for the performance of the obligations of any other Investor under this Agreement or any other transaction document. Each Investor shall be responsible only for its own representations, warranties, agreements and covenants hereunder. The decision of each Investor to purchase Notes pursuant to this Agreement has been made by such Investor independently of any other Investor and independently of any information, materials, statements or opinions as to the business, affairs, operations, assets, properties, liabilities, results of operations, condition (financial or otherwise) or prospects of the Company which may have been made or given by any other Investor or by any agent or employee of any other Investor, and no Investor or any of its agents or employees shall have any liability to any other Investor (or any other person) relating to or arising from any such information, materials, statements or opinions. Nothing contained herein or in any other transaction document, and no action taken by any Investor pursuant hereto or thereto, shall be deemed to constitute the Investors as a partnership, an association, a joint venture or any other kind of entity, or create a presumption that the Investors are in any way acting in concert or as a group with respect to such obligations or the transactions contemplated by this Agreement. Except as otherwise provided in this Agreement or any other transaction document, each Investor shall be entitled to independently protect and enforce its rights arising out of this Agreement or out of the other transaction documents, and it shall not be necessary for any other Investor to be joined as an additional party in any proceeding for such purpose. Each Investor has been represented by its own separate legal counsel in connection with the transactions contemplated hereby and acknowledge and understand that Sichenzia Ross Friedman Ference LLP has served as counsel to the Placement Agent only.

If any quarterly interest payment is not made by its Interest Payment Date, then the Deferred Interest Amount for such quarterly interest payment shall increase from 6.0% to 8.0%.

b) Interest Calculations. Interest on the outstanding principal amount shall be calculated on the basis of a 360-day year, consisting of twelve 30 calendar day periods, and shall accrue daily commencing on the Original Issue Date until payment or conversion in full of the outstanding principal, together with all accrued and unpaid interest, liquidated damages and other amounts which may become due hereunder, has been made. Interest hereunder will be paid to the Person in whose name this Note is registered on the records of the Company regarding registration and transfers of this Note (the "Note Register").

c) Late Fee. All overdue principal and accrued and unpaid interest to be paid hereunder shall entail a late fee at an interest rate equal to the lesser of 14% per annum or the maximum rate permitted by applicable law (the "Late Fees") which shall accrue daily from the date such principal or interest is due hereunder through and including the date of actual payment in full.

d) Prepayment. The Company may prepay any portion of the principal amount of this Note without the prior written consent of the Holder, provided, however, that (i) any prepayment is done on a pro rata basis on all Notes then outstanding and (ii) if the Company prepays any principal on or before the first anniversary of the Original Issue Date, the Company shall pay a premium equal to 10% of the amount of principal of this Note being prepaid.

Section 3. Registration of Transfers and Exchanges.

a) Different Denominations. This Note is exchangeable for an equal aggregate principal amount of Notes of different authorized denominations, as requested by the Holder surrendering the same. No service charge will be payable for such registration of transfer or exchange.

b) Investment Representations. This Note has been issued subject to certain investment representations of the original Holder set forth in the Purchase Agreement and may be transferred or exchanged only in compliance with applicable federal and state securities laws and regulations.

c) Reliance on Note Register. Prior to due presentment for transfer to the Company of this Note, the Company and any agent of the Company may treat the Person in whose name this Note is duly registered on the Note Register as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note is overdue, and neither the Company nor any such agent shall be affected by notice to the contrary.

Section 4. Conversion.

a) Voluntary Conversion. The Conversion Date shall be no earlier than the date that such Notice of Conversion is deemed delivered hereunder. If no Conversion Date is specified in a Notice of Conversion, the Conversion Date shall be the date that such Notice of Conversion is deemed delivered hereunder. To effect conversions hereunder, the Holder shall not be required to physically surrender this Note to the Company unless the entire principal amount of this Note, plus all accrued and unpaid interest thereon, has been so converted. Conversions hereunder shall have the effect of lowering the outstanding principal amount of this Note in an amount equal to the applicable conversion. The Company may deliver an objection to any Notice of Conversion within one (1) Business Day of delivery of such Notice of Conversion. Following delivery of the Notice of Conversion to the Company, the Company shall promptly update the Conversion Schedule (showing the principal amount(s) converted and the date of such conversion(s)) and deliver the same to the Holder. In the event of any dispute or discrepancy, the records of the Holder shall be controlling and determinative in the absence of manifest error. **The Holder, and any assignee by acceptance of this Note, acknowledge and agree that, by reason of the provisions of this paragraph, following conversion of a portion of this Note, the unpaid and unconverted principal amount of this Note may be less than the amount stated on the face hereof.**

b) Conversion Price. The conversion price in effect on any Conversion Date shall be equal to **\$0.65**, subject to adjustment herein (the "Conversion Price").

c) Mechanics of Conversion.

i . Conversion Shares Issuable Upon Conversion of Principal Amount. The number of Conversion Shares issuable upon a conversion hereunder shall be determined by the quotient obtained by dividing (x) the sum of the outstanding principal amount plus all accrued, unpaid interest of this Note to be converted by (y) the Conversion Price.

ii . Delivery of Certificate Upon Conversion. Not later than three (3) Trading Days after each Conversion Date (the "Share Delivery Date"), the Company shall deliver, or cause to be delivered, to the Holder a certificate or certificates representing the Conversion Shares which, on or after the earlier of (i) the one-year anniversary of the Original Issue Date (if the Holder is not an Affiliate of the Company and has not been an Affiliate during the preceding three (3) months) or (ii) the Effective Date, shall be free of restrictive legends and trading restrictions (other than those which may then be required by the Purchase Agreement) representing the number of Conversion Shares being acquired upon the conversion of this Note. On or after the earlier of (i) the one year anniversary of the Original Issue Date or (ii) the Effective Date, the Company shall use its best efforts to deliver any certificate or certificates required to be delivered by the Company under this Section 4(c) electronically through the Depository Trust Company or another established clearing corporation performing similar functions.

iii. Failure to Deliver Certificates. If, in the case of any Notice of Conversion, such certificate or certificates are not delivered to or as directed by the applicable Holder by the Share Delivery Date, the Holder shall be entitled to elect by written notice to the Company at any time on or before its receipt of such certificate or certificates, to rescind such Conversion, in which event the Company shall promptly return to the Holder any original Note delivered to the Company and the Holder shall promptly return to the Company the Common Stock certificates issued to such Holder pursuant to the rescinded Conversion Notice.

iv. Obligation Absolute. The Company's obligations to issue and deliver the Conversion Shares upon conversion of this Note in accordance with the terms hereof are absolute and unconditional, irrespective of any action or inaction by the Holder to enforce the same, any waiver or consent with respect to any provision hereof, the recovery of any judgment against any Person or any action to enforce the same, or any setoff, counterclaim, recoupment, limitation or termination, or any breach or alleged breach by the Holder or any other Person of any obligation to the Company or any violation or alleged violation of law by the Holder or any other Person, and irrespective of any other circumstance which might otherwise limit such obligation of the Company to the Holder in connection with the issuance of such Conversion Shares; provided, however, that such delivery shall not operate as a waiver by the Company of any such action the Company may have against the Holder. In the event the Holder of this Note shall elect to convert any or all of the outstanding principal amount hereof, the Company may not refuse conversion based on any claim that the Holder or anyone associated or affiliated with the Holder has been engaged in any violation of law, agreement or for any other reason, unless an injunction from a court, on notice to Holder, restraining and or enjoining conversion of all or part of this Note shall have been sought and obtained, and the Company posts a surety bond for the benefit of the Holder in the amount of 150% of the outstanding principal amount of this Note, which is subject to the injunction, which bond shall remain in effect until the completion of arbitration/litigation of the underlying dispute and the proceeds of which shall be payable to the Holder to the extent it obtains judgment. In the absence of such injunction, the Company shall issue Conversion Shares or, if applicable, cash, upon a properly noticed conversion. The Holder shall have the right to pursue actual damages or declare an Event of Default pursuant to Section 8 hereof for the Company's failure to deliver Conversion Shares within the period specified herein and the Holder shall have the right to pursue all remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief. The exercise of any such rights shall not prohibit the Holder from seeking to enforce damages pursuant to any other Section hereof or under applicable law.

v. Compensation for Buy-In on Failure to Timely Deliver Certificates Upon Conversion. In addition to any other rights available to the Holder, if the Company fails for any reason to deliver to the Holder such certificate or certificates by the Share Delivery Date pursuant to Section 4(c)(ii), and if after such Share Delivery Date the Holder is required by its brokerage firm to purchase (in an open market transaction or otherwise), or the Holder's brokerage firm otherwise purchases, shares of Common Stock to deliver in satisfaction of a sale by the Holder of the Conversion Shares which the Holder was entitled to receive upon the conversion relating to such Share Delivery Date (a "Buy-In"), then the Company shall (A) pay in cash to the Holder (in addition to any other remedies available to or elected by the Holder) the amount, if any, by which (x) the Holder's total purchase price (including any brokerage commissions) for the Common Stock so purchased exceeds (y) the product of (1) the aggregate number of shares of Common Stock that the Holder was entitled to receive from the conversion at issue multiplied by (2) the actual sale price at which the sell order giving rise to such purchase obligation was executed (including any brokerage commissions) and (B) at the option of the Holder, either reissue (if surrendered) this Note in a principal amount equal to the principal amount of the attempted conversion (in which case such conversion shall be deemed rescinded) or deliver to the Holder the number of shares of Common Stock that would have been issued if the Company had timely complied with its delivery requirements under Section 4(c)(ii). For example, if the Holder purchases Common Stock having a total purchase price of \$11,000 to cover a Buy-In with respect to an attempted conversion of this Note with respect to which the actual sale price of the Conversion Shares (including any brokerage commissions) giving rise to such purchase obligation was a total of \$10,000 under clause (A) of the immediately preceding sentence, the Company shall be required to pay the Holder \$1,000. The Holder shall provide the Company written notice indicating the amounts payable to the Holder in respect of the Buy-In and, upon request of the Company, evidence of the amount of such loss. Nothing herein shall limit a Holder's right to pursue any other remedies available to it hereunder, at law or in equity including, without limitation, a decree of specific performance and/or injunctive relief with respect to the Company's failure to timely deliver certificates representing shares of Common Stock upon conversion of this Note as required pursuant to the terms hereof.

v i . Reservation of Shares Issuable Upon Conversion. The Company covenants that it will at all times reserve and keep available out of its authorized and unissued shares of Common Stock for the sole purpose of issuance upon conversion of this Note, free from preemptive rights or any other actual contingent purchase rights of Persons other than the Holder (and the other holders of the Notes), not less than such aggregate number of shares of the Common Stock as shall (subject to the terms and conditions set forth in the Purchase Agreement) be issuable (taking into account the adjustments and restrictions of Section 5) upon the conversion of the then outstanding principal amount of this Note. The Company covenants that all shares of Common Stock that shall be so issuable shall, upon issue, be duly authorized, validly issued, fully paid and nonassessable and, if the Registration Statement is then effective under the Securities Act, shall be registered for public resale in accordance with the rules and regulations of the SEC.

v i i . Fractional Shares. No fractional shares or scrip representing fractional shares shall be issued upon the conversion of this Note. As to any fraction of a share which the Holder would otherwise be entitled to purchase upon such conversion, the Company shall at its election, either pay a cash adjustment in respect of such final fraction in an amount equal to such fraction multiplied by the Conversion Price or round up to the next whole share.

v i i i . Transfer Taxes. The issuance of certificates for shares of the Common Stock on conversion of this Note shall be made without charge to the Holder hereof for any documentary stamp or similar taxes that may be payable in respect of the issue or delivery of such certificates, provided that, the Company shall not be required to pay any tax that may be payable in respect of any transfer involved in the issuance and delivery of any such certificate upon conversion in a name other than that of the Holder of this Note so converted and the Company shall not be required to issue or deliver such certificates unless or until the Person or Persons requesting the issuance thereof shall have paid to the Company the amount of such tax or shall have established to the satisfaction of the Company that such tax has been paid.

d) Beneficial Ownership Limitation. The Company shall not effect any conversion of this Note, and a Holder shall not have the right to convert any portion of this Note, to the extent that after giving effect to the conversion set forth on the applicable Notice of Conversion, the Holder (together with the Holder's Affiliates, and any Persons acting as a group together with the Holder or any of the Holder's or such Persons' Affiliates) would beneficially own in excess of the Beneficial Ownership Limitation (as defined below). For purposes of the foregoing sentence, the number of shares of Common Stock beneficially owned by the Holder and its Affiliates shall include the number of shares of Common Stock issuable upon conversion of this Note with respect to which such determination is being made, but shall exclude the number of shares of Common Stock which are issuable upon (i) conversion of the remaining, unconverted principal amount of this Note beneficially owned by the Holder or any of its Affiliates and (ii) exercise or conversion of the unexercised or unconverted portion of any other securities of the Company subject to a limitation on conversion or exercise analogous to the limitation contained herein (including, without limitation, any other Notes) beneficially owned by the Holder or any of its Affiliates. Except as set forth in the preceding sentence, for purposes of this Section 4(d), beneficial ownership shall be calculated in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. To the extent that the limitation contained in this Section 4(d) applies, the determination of whether this Note is convertible (in relation to other securities owned by the Holder together with any Affiliates and any Persons deemed to act as a group together with the Holder and any of the Holder's or such Person's Affiliates) and of which principal amount of this Note is convertible shall be in the sole discretion of the Holder, and the submission of a Notice of Conversion shall be deemed to be the Holder's determination of whether this Note may be converted (in relation to other securities owned by the Holder together with any Affiliates) and which principal amount of this Note is convertible, in each case subject to the Beneficial Ownership Limitation. To ensure compliance with this restriction, the Holder will be deemed to represent to the Company each time it delivers a Notice of Conversion that such Notice of Conversion has not violated the restrictions set forth in this paragraph and the Company shall have no obligation to verify or confirm the accuracy of such determination. In addition, a determination as to any group status as contemplated above shall be determined in accordance with Section 13(d) of the Exchange Act and the rules and regulations promulgated thereunder. For purposes of this Section 4(d), in determining the number of outstanding shares of Common Stock, the Holder may rely on the number of outstanding shares of Common Stock as stated in the most recent of the following: (i) the Company's most recent periodic or annual report filed with the Commission, as the case may be, (ii) a more recent public announcement by the Company, or (iii) a more recent written notice by the Company or the Company's transfer agent setting forth the number of shares of Common Stock outstanding. Upon the written or oral request of a Holder, the Company shall within two Trading Days confirm orally and in writing to the Holder the number of shares of Common Stock then outstanding. In any case, the number of outstanding shares of Common Stock shall be determined after giving effect to the conversion or exercise of securities of the Company, including this Note, by the Holder or its Affiliates since the date as of which such number of outstanding shares of Common Stock was reported. The "Beneficial Ownership Limitation" shall be 4.99% of the number of shares of the Common Stock outstanding immediately after giving effect to the issuance of shares of Common Stock issuable upon conversion of this Note held by the Holder. The Holder, upon prior notice to the Company, may increase or decrease the Beneficial Ownership Limitation provisions of this Section 4(d), provided that the Beneficial Ownership Limitation provisions of this Section 4(d) shall continue to apply. Any such increase will not be effective until the 61st day after such notice is delivered to the Company. The Beneficial Ownership Limitation provisions of this paragraph shall be construed and implemented in a manner otherwise than in strict conformity with the terms of this Section 4(d) to correct this paragraph (or any portion hereof) which may be defective or inconsistent with the intended Beneficial Ownership Limitation contained herein or to make changes or supplements necessary or desirable to properly give effect to such limitation. The limitations contained in this paragraph shall apply to a successor holder of this Note.

Section 5. Certain Adjustments.

a) Stock Dividends and Stock Splits. If the Company, at any time while this Note is outstanding: (i) pays a stock dividend or otherwise makes a distribution or distributions payable in shares of Common Stock on shares of Common Stock or any common stock equivalents (which, for avoidance of doubt, shall not include any shares of Common Stock issued by the Company upon conversion of, or payment of interest on, the Notes), (ii) subdivides outstanding shares of Common Stock into a larger number of shares, (iii) combines (including by way of a reverse stock split) outstanding shares of Common Stock into a smaller number of shares or (iv) issues, in the event of a reclassification of shares of the Common Stock, any shares of capital stock of the Company, then the Conversion Price shall be multiplied by a fraction of which the numerator shall be the number of shares of Common Stock (excluding any treasury shares of the Company) outstanding immediately before such event, and of which the denominator shall be the number of shares of Common Stock outstanding immediately after such event. Any adjustment made pursuant to this Section shall become effective immediately after the record date for the determination of stockholders entitled to receive such dividend or distribution and shall become effective immediately after the effective date in the case of a subdivision, combination or re-classification.

b) [RESERVED].

- c) [RESERVED].
- d) [RESERVED].
- e) [RESERVED].

f) Calculations. All calculations under this Section 5 shall be made to the nearest cent or the nearest 1/100th of a share, as the case may be. For purposes of this Section 5, the number of shares of Common Stock deemed to be issued and outstanding as of a given date shall be the sum of the number of shares of Common Stock (excluding any treasury shares of the Company) issued and outstanding.

- g) Notice to the Holder.

i . Adjustment to Conversion Price. Whenever the Conversion Price is adjusted pursuant to any provision of this Section 5, the Company shall promptly deliver to each Holder a notice setting forth the Conversion Price after such adjustment and setting forth a brief statement of the facts requiring such adjustment.

ii. Notice to Allow Conversion by Holder or Prepayment by the Company. If (A) the Company shall declare a dividend (or any other distribution in whatever form) on the Common Stock, (B) the Company shall declare a special nonrecurring cash dividend on or a redemption of the Common Stock, (C) the Company shall authorize the granting to all holders of the Common Stock of rights or warrants to subscribe for or purchase any shares of capital stock of any class or of any rights, (D) the approval of any stockholders of the Company shall be required in connection with any Fundamental Transaction or a Change of Control Transaction or (E) the Company shall authorize the voluntary or involuntary dissolution, liquidation or winding up of the affairs of the Company, then, in each case, the Company shall cause to be delivered to the Holder at its last address as it shall appear upon the Note Register, at least twenty (20) calendar days prior to the applicable record or effective date hereinafter specified, a notice stating (x) the date on which a record is to be taken for the purpose of such dividend, distribution, redemption, rights or warrants, or if a record is not to be taken, the date as of which the holders of the Common Stock of record to be entitled to such dividend, distributions, redemption, rights or warrants are to be determined or (y) the date on which such Fundamental Transaction or Change of Control Transaction is expected to become effective or close, provided that the failure to deliver such notice or any defect therein or in the delivery thereof shall not affect the validity of the corporate action required to be specified in such notice. To the extent that any notice provided hereunder constitutes, or contains, material, non-public information regarding the Company or any of the Subsidiaries, the Company shall simultaneously file such notice with the Commission pursuant to a Current Report on Form 8-K. The Holder shall remain entitled to convert this Note during the 20-day period commencing on the date of such notice except as may otherwise be expressly set forth herein. In the event that the Holder does not elect to convert this Note into Common Stock prior to the effective date, the Company may, at its sole election elect to prepay this Note in whole or in part in accordance with Section 2(d), provided, however, to the extent such action in this Section 5(g)(ii) constitutes an Event of Default, any such repayment of the Note will be governed in accordance with Section 8(b) hereunder.

Section 6. Forced Conversion. Notwithstanding anything herein to the contrary, if after the Effective Date, the VWAP for any 20 out of 30 consecutive Trading Days, which period shall have commenced only after the Effective Date (such period the "Threshold Period"), exceeds \$1.63 (subject to adjustment for reverse and forward stock splits, stock dividends, stock combinations and other similar transactions of the Common Stock that occur after the Original Issue Date), the Company may, within 5 Trading Days after the end of any such Threshold Period, deliver a written notice to the Holder (a "Forced Conversion Notice" and the date such notice is delivered to the Holder, the "Forced Conversion Notice Date") to cause the Holder to convert all or part of the then outstanding principal amount of this Note plus accrued but unpaid interest, liquidated damages and other amounts owing to the Holder under this Note ("Forced Conversion"), it being agreed that the "Conversion Date" for purposes of Section 4 shall be deemed to occur on the third Trading Day following the Forced Conversion Notice Date (such third Trading Day, the "Forced Conversion Date"). Any Forced Conversion will be done on a pro rata basis on all Notes then outstanding. The Company may not deliver a Forced Conversion Notice, and any Forced Conversion Notice delivered by the Company shall not be effective, unless all of the Equity Conditions are met (unless waived in writing by the Required Holders) on each Trading Day occurring during the applicable Threshold Period through and including the later of the Forced Conversion Date and the Trading Day after the date such Conversion Shares pursuant to such conversion are delivered to the Holder. Any Forced Conversion shall be applied ratably to all Holders based on their initial purchases of Notes pursuant to the Purchase Agreement, provided that any voluntary conversions by a Holder shall be applied against the Holder's pro rata allocation, thereby decreasing the aggregate amount forcibly converted hereunder if only a portion of this Note is forcibly converted. For purposes of clarification, a Forced Conversion shall be subject to all of the provisions of Section 4, including, without limitation, the limitations on conversions.

Section 7. Negative Covenants. As long as at least 25% of the original aggregate principal amount of all Notes remains outstanding, unless the Required Holders (and treating any Notes owned by the Company or any Affiliate of the Company as not outstanding for such purpose) shall have otherwise given prior written consent, the Company shall not, and shall not permit any of the Subsidiaries to, directly or indirectly:

- a) other than Permitted Indebtedness, enter into, create, incur, assume, guarantee or suffer to exist any indebtedness for borrowed money of any kind, including, but not limited to, a guarantee, on or with respect to any of its property or assets now owned or hereafter acquired or any interest therein or any income or profits therefrom;

- b) other than Permitted Liens, enter into, create, incur, assume or suffer to exist any Liens of any kind, on or with respect to any of its property or assets now owned or hereafter acquired or any interest therein or any income or profits therefrom;
- c) amend its charter documents, including, without limitation, its certificate of incorporation and bylaws, in any manner that materially and adversely affects any rights of the Holder (which limitation shall expressly not apply to any proposal to increase the number of authorized shares of the Company's Common Stock);
- d) repay, repurchase or offer to repay, repurchase or otherwise acquire more than a de minimis number of shares of its Common Stock or common stock equivalents other than as to the Conversion Shares as permitted or required under the Notes;
- e) repay, repurchase or offer to repay, repurchase or otherwise acquire any indebtedness, other than the Notes if on a pro-rata basis, other than indebtedness due and owing to the Senior Lender and Ray Shealy as in effect as of the Original Issue Date, provided that such payments shall not be permitted if, at such time, or immediately after giving effect to such payment, any Event of Default exists or would occur;
- f) pay cash dividends or distributions on any equity securities of the Company;
- g) enter into any transaction with any Affiliate of the Company which would be required to be disclosed in any public filing with the Commission, unless such transaction is made on an arm's-length basis and expressly approved by a majority of the disinterested directors of the Company (even if less than a quorum otherwise required for board approval); or
- h) enter into any agreement with respect to any of the foregoing.

Section 8. Events of Default.

- a) "Event of Default" means, wherever used herein, any of the following events (whatever the reason for such event and whether such event shall be voluntary or involuntary or effected by operation of law or pursuant to any judgment, decree or order of any court, or any order, rule or regulation of any administrative or governmental body) and except as shall have been effected with the consent of the Required Holders:
 - i. any default in the payment of the principal amount of any Note, which default is not cured within 10 calendar days;

ii. the Company shall fail to observe or perform any other covenant or agreement contained in the Notes (other than a breach by the Company of its obligations to deliver shares of Common Stock to the Holder upon conversion, which breach is addressed in clause (xi) below) which failure is not cured, if possible to cure, within the earlier to occur of (A) five (5) Trading Days after notice of such failure sent by the Holder or by any other Holder to the Company and (B) 10 Trading Days after the Company has become or should have become aware of such failure;

iii. a default or event of default (subject to any grace or cure period provided in the applicable agreement, document or instrument) shall occur under (A) any of the Notes or (B) any other material agreement, lease, document or instrument to which the Company or any Subsidiary is obligated (and not covered by clause (vi) below);

iv. any representation or warranty made in this Note, any other Note, any written statement pursuant hereto or thereto or any other report, financial statement or certificate made or delivered to the Holder or any other Holder shall be untrue or incorrect in any material respect as of the date when made or deemed made;

v. the Company or any Significant Subsidiary (as such term is defined in Rule 1-02(w) of Regulation S-X) shall be subject to a Bankruptcy Event;

vi. the Company or any Subsidiary shall default on any of its obligations under any mortgage, credit agreement or other facility, indenture agreement, factoring agreement or other instrument under which there may be issued, or by which there may be secured or evidenced, any indebtedness for borrowed money or money due under any long term leasing or factoring arrangement that (a) involves an obligation greater than \$150,000, whether such indebtedness now exists or shall hereafter be created, and (b) results in such indebtedness becoming (subject to any applicable cure period) or being declared due and payable prior to the date on which it would otherwise become due and payable;

vii. the Common Stock shall not be eligible for listing or quotation for trading on a Trading Market and shall not be eligible to resume listing or quotation for trading thereon within five Trading Days;

viii. the Company shall be a party to any Change of Control Transaction or Fundamental Transaction or shall agree to sell or dispose of all or in excess of 50% of its assets in one transaction or a series of related transactions (whether or not such sale would constitute a Change of Control Transaction) and excluding specifically any license or other disposition involving continued royalty or similar payments of the Company's intellectual property assets in the ordinary course of business);

ix. on or after the 180th calendar day after the Closing Date, the Company does not meet the current public information requirements under Rule 144 (unless there is an effective Registration Statement in respect of the Conversion Shares);

x. the Company shall fail for any reason to deliver certificates to a Holder prior to the fifth Trading Day after a Conversion Date pursuant to Section 4(d) or any Forced Conversion Date pursuant to Section 6(d) or the Company shall provide at any time notice to the Holder, including by way of public announcement, of the Company's intention to not honor requests for conversions of any Notes in accordance with the terms hereof;

xi. the Company shall materially breach any of the Notes; or

xii. any monetary judgment, writ or similar final process shall be entered or filed against the Company, any subsidiary or any of their respective property or other assets for more than \$100,000, and such judgment, writ or similar final process shall remain unvacated, unbonded or unstayed for a period of 45 calendar days.

b) Remedies Upon Event of Default. If an Event of Default occurs pursuant to Section 8(a)(i), the outstanding principal amount of this Note, plus accrued but unpaid interest, and other amounts owing in respect thereof through the date of acceleration, shall become, at the Holder's election and upon notice thereof to the Company, immediately due and payable in cash at the Mandatory Default Amount. If an Event of Default occurs pursuant to Sections 8(a)(ii) - 8(a)(xii), the outstanding principal amount of this Note, plus accrued but unpaid interest, and other amounts owing in respect thereof through the date of acceleration, shall become, at the Holder's election and upon notice thereof to the Company, immediately due and payable in cash. Commencing 5 days after the occurrence of any Event of Default that results in the eventual acceleration of this Note, the interest rate on this Note shall accrue at an interest rate equal to the lesser of 18% per annum or the maximum rate permitted under applicable law. Upon the payment in full of this Note pursuant to this Section 8(b), the Holder shall promptly surrender this Note to or as directed by the Company. In connection with such acceleration described herein, the Holder need not provide, and the Company hereby waives, any presentment, demand, protest or other notice of any kind, and the Holder may immediately enforce any and all of its rights and remedies hereunder and all other remedies available to it under applicable law. Such acceleration may be rescinded and annulled by Holder at any time prior to payment hereunder and the Holder shall have all rights as a holder of the Note until such time, if any, as the Holder receives full payment pursuant to this Section 8(b). No such rescission or annulment shall affect any subsequent Event of Default or impair any right consequent thereon.

c) **Subordination.** Holder agrees and acknowledges that this Note is subordinate to the obligation of the Company to the Senior Lender. The Holder hereby agrees, upon the request of the Senior Lender at any time and from time to time, to execute such other documents or instruments as may be reasonably requested by the Senior Lender further to evidence of public record or otherwise the priority of the Senior Lender as contemplated hereby.

Section 9. Miscellaneous.

a) **Notices.** Any and all notices or other communications or deliveries to be provided by the Holder hereunder, including, without limitation, any Notice of Conversion, shall be in writing and delivered personally, by facsimile, or sent by a nationally recognized overnight courier service, addressed to the Company, at the address set forth above, or such other facsimile number or address as the Company may specify for such purposes by notice to the Holder delivered in accordance with this Section 9(a). Any and all notices or other communications or deliveries to be provided by the Company hereunder shall be in writing and delivered personally, by facsimile, or sent by a nationally recognized overnight courier service addressed to each Holder at the facsimile number or address of the Holder appearing on the books of the Company, or if no such facsimile number or address appears on the books of the Company, at the principal place of business of such Holder, as set forth in the Purchase Agreement. Any notice or other communication or deliveries hereunder shall be deemed given and effective on the earliest of (i) the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number set forth on the signature pages attached hereto prior to 5:30 p.m. (New York City time) on any date, (ii) the next Trading Day after the date of transmission, if such notice or communication is delivered via facsimile at the facsimile number set forth on the signature pages attached hereto on a day that is not a Trading Day or later than 5:30 p.m. (New York City time) on any Trading Day, (iii) the second Trading Day following the date of mailing, if sent by U.S. nationally recognized overnight courier service or (iv) upon actual receipt by the party to whom such notice is required to be given.

b) **Absolute Obligation.** Except as expressly provided herein, no provision of this Note shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of, liquidated damages and accrued interest, as applicable, on this Note at the time, place, and rate, and in the coin or currency, herein prescribed. This Note is a direct debt obligation of the Company. This Note ranks pari passu with all other Notes now or hereafter issued under the terms set forth herein.

c) **Lost or Mutilated Note.** If this Note shall be mutilated, lost, stolen or destroyed, the Company shall execute and deliver, in exchange and substitution for and upon cancellation of a mutilated Note, or in lieu of or in substitution for a lost, stolen or destroyed Note, a new Note for the principal amount of this Note so mutilated, lost, stolen or destroyed, but only upon receipt of evidence of such loss, theft or destruction of such Note, and of the ownership hereof, reasonably satisfactory to the Company.

d) Governing Law. All questions concerning the construction, validity, enforcement and interpretation of this Note shall be governed by and construed and enforced in accordance with the internal laws of the State of New York, without regard to the principles of conflict of laws thereof. Each party agrees that all legal proceedings concerning the interpretation, enforcement and defense of the transactions contemplated by the Notes (whether brought against a party hereto or its respective Affiliates, directors, officers, shareholders, employees or agents) shall be commenced in the state and federal courts sitting in the City of New York, Borough of Manhattan (the "New York Courts"). Each party hereto hereby irrevocably submits to the exclusive jurisdiction of the New York Courts for the adjudication of any dispute hereunder or in connection herewith or with any transaction contemplated hereby or discussed herein (including with respect to the enforcement of any of the Notes), and hereby irrevocably waives, and agrees not to assert in any suit, action or proceeding, any claim that it is not personally subject to the jurisdiction of such New York Courts, or such New York Courts are improper or inconvenient venue for such proceeding. Each party hereby irrevocably waives personal service of process and consents to process being served in any such suit, action or proceeding by mailing a copy thereof via registered or certified mail or overnight delivery (with evidence of delivery) to such party at the address in effect for notices to it under this Note and agrees that such service shall constitute good and sufficient service of process and notice thereof. Nothing contained herein shall be deemed to limit in any way any right to serve process in any other manner permitted by applicable law. Each party hereto hereby irrevocably waives, to the fullest extent permitted by applicable law, any and all right to trial by jury in any legal proceeding arising out of or relating to this Note or the transactions contemplated hereby. If any party shall commence an action or proceeding to enforce any provisions of this Note, then the prevailing party in such action or proceeding shall be reimbursed by the other party for its attorneys' fees and other costs and expenses incurred in the investigation, preparation and prosecution of such action or proceeding.

e) Amendments, Waivers. No provision of the Notes may be waived, modified, supplemented or amended except in a written instrument signed by the Company and Required Holders, which upon execution of such written instrument shall be effective as to all Notes then outstanding. Any waiver by the Company or the Required Holders of a breach of any provision of the Notes shall not operate as or be construed to be a waiver of any other breach of such provision or of any breach of any other provision of the Notes. The failure of the Company or the Required Holders to insist upon strict adherence to any term of the Note on one or more occasions shall not be considered a waiver or deprive that party of the right thereafter to insist upon strict adherence to that term or any other term of the Notes on any other occasion. Any waiver by the Company or the Required Holders must be in writing.

f) Severability. If any provision of this Note is invalid, illegal or unenforceable, the balance of this Note shall remain in effect, and if any provision is inapplicable to any Person or circumstance, it shall nevertheless remain applicable to all other Persons and circumstances. If it shall be found that any interest or other amount deemed interest due hereunder violates the applicable law governing usury, the applicable rate of interest due hereunder shall automatically be lowered to equal the maximum rate of interest permitted under applicable law. The Company covenants (to the extent that it may lawfully do so) that it shall not at any time insist upon, plead, or in any manner whatsoever claim or take the benefit or advantage of, any stay, extension or usury law or other law which would prohibit or forgive the Company from paying all or any portion of the principal of or interest on this Note as contemplated herein, wherever enacted, now or at any time hereafter in force, or which may affect the covenants or the performance of this Note, and the Company (to the extent it may lawfully do so) hereby expressly waives all benefits or advantage of any such law, and covenants that it will not, by resort to any such law, hinder, delay or impede the execution of any power herein granted to the Holder, but will suffer and permit the execution of every such as though no such law has been enacted.

g) Next Business Day. Whenever any payment or other obligation hereunder shall be due on a day other than a Business Day, such payment shall be made on the next succeeding Business Day.

h) Headings. The headings contained herein are for convenience only, do not constitute a part of this Note and shall not be deemed to limit or affect any of the provisions hereof.

PLACEMENT AGENT WARRANT

INTELLINETICS, INC.

Warrant No. PA2-[00 __]

WARRANT TO PURCHASE COMMON STOCKVOID AFTER 5:00 P.M., EASTERN TIME,
ON THE EXPIRATION DATE

THIS WARRANT AND ANY SHARES ACQUIRED UPON THE EXERCISE OF THIS WARRANT HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AS AMENDED, OR APPLICABLE STATE SECURITIES LAWS, AND MAY NOT BE OFFERED FOR SALE, SOLD, PLEDGED, HYPOTHECATED, DONATED OR OTHERWISE TRANSFERRED IN THE ABSENCE OF SUCH REGISTRATION OR AN APPLICABLE EXEMPTION FROM SUCH REGISTRATION.

FOR VALUE RECEIVED, **Intellinetics, Inc.**, a Nevada corporation (the "**Company**"), hereby agrees to sell upon the terms and on the conditions hereinafter set forth, at any time commencing on the date hereof but no later than 5:00 p.m., Eastern Time, on [December 28, 2021] (the "**Expiration Date**"), to Taglich Brothers, Inc., or its registered assigns (the "**Holder**"), under the terms as hereinafter set forth, [One Hundred Fifty-Three Thousand Eight Hundred Forty-Seven (153,847)] fully paid and non-assessable shares of the Company's Common Stock, par value \$0.001 per share (the "**Common Stock**"), at a purchase price per share of Seventy-Five cents (\$0.75) (the "**Warrant Price**"), pursuant to the terms and conditions set forth in this warrant (this "**Warrant**"). The number of shares of Common Stock issued upon exercise of this Warrant ("**Warrant Shares**") and the Warrant Price are subject to adjustment in certain events as hereinafter set forth.

1. Exercise of Warrant.

(a) The Holder may exercise this Warrant at any time after issuance according to the terms and conditions set forth herein by delivering to the Company, at the address of the Company set forth in Section 10 prior to 5:00 p.m., Eastern Time, at any time prior to the Expiration Date (such date of exercise, the "**Exercise Date**") (i) this Warrant, (ii) the Subscription Form attached hereto as Exhibit A (the "**Subscription Form**") (having then been duly executed by the Holder), (iii) unless the Warrant is being exercised pursuant to a Cashless Exercise (as defined below), cash, a certified check or a bank draft in payment of the purchase price, in lawful money of the United States of America, for the number of Warrant Shares specified in the Subscription Form.

(b) This Warrant may be exercised in whole or in part so long as any exercise in part hereof would not involve the issuance of fractional Warrant Shares. If exercised in part, the Company shall deliver to the Holder a new Warrant, identical in form to this Warrant, in the name of the Holder, evidencing the right to purchase the number of Warrant Shares as to which this Warrant has not been exercised, which new Warrant shall be signed by the President or Chief Executive Officer of the Company. The term Warrant as used herein shall include any subsequent Warrant issued as provided herein.

(c) Notwithstanding any provisions herein to the contrary, in lieu of exercising this Warrant in the manner set forth in Section 1(a), the Holder may elect to exercise this Warrant, or a portion hereof, and to pay for the Warrant Shares by way of cashless exercise (a "**Cashless Exercise**"). If the Holder wishes to effect a cashless exercise, the Holder shall deliver the Exercise Notice duly executed by such Holder or by such Holder's duly authorized attorney, at the principal office of the Company, or at such other office or agency as the Company may designate in writing prior to the date of such exercise, in which event the Company shall issue to the registered Holder the number of Warrant Shares computed according to the following equation:

$$X = \frac{Y * (A - B)}{A}$$

; where

X = the number of Warrant Shares to be issued to the registered Holder.

Y = the Warrant Shares purchasable under this Warrant or, if only a portion of the Warrant is being exercised, the portion of the Warrant Shares being exercised.

A = the Fair Market Value (defined below) of one share of Common Stock on the Exercise Date.

B = the Exercise Price (as adjusted pursuant to the provisions of this Warrant).

For purposes of this Section 1(c), the "Fair Market Value" of one share of Common Stock on the Exercise Date shall have one of the following meanings:

(1) if the Common Stock is traded on a national securities exchange, the Fair Market Value shall be deemed to be the Closing Price on the trading day preceding the Exercise Date. For the purposes of this Warrant, "Closing Price" means the closing sale price of one share of Common Stock, as reported by Bloomberg; or

(2) if the Common Stock is traded over-the-counter, the Fair Market Value shall be deemed to be the Closing Price on the trading day immediately preceding the Exercise Date; or

(3) if neither (1) nor (2) is applicable, the Fair Market Value shall be at the commercially reasonable price per share which the Company could obtain on the Exercise Date from a willing buyer (not a current employee or director) for shares of Common Stock sold by the Company, from authorized but unissued shares, as determined in good faith by the Company's Board of Directors.

For illustration purposes only, if this Warrant entitles the Holder the right to purchase 100,000 Warrant Shares and the Holder were to exercise this Warrant for 50,000 Warrant Shares at a time when the Exercise Price per share was \$1.00 and the Fair Market Value of each share of Common Stock was \$2.00 on the Exercise Date, as applicable, the cashless exercise calculation would be as follows:

$$X = \frac{50,000 (\$2.00 - \$1.00)}{2.00}$$

$$X = 25,000$$

Therefore, the number of Warrant Shares to be issued to the Holder after giving effect to the cashless exercise would be 25,000 Warrant Shares and the Company would issue the Holder a new Warrant to purchase 50,000 Warrant Shares, reflecting the portion of this Warrant not exercised by the Holder. For purposes of Rule 144 promulgated under the Securities Act of 1933, as amended (the "*Securities Act*"), it is intended, understood and acknowledged that the Warrant Shares issued in the cashless exercise transaction described pursuant to Section 1(c) shall be deemed to have been acquired by the Holder, and the holding period for the shares of Warrant Shares shall be deemed to have commenced, on the date of the Holder's acquisition of the Warrant.

(d) No fractional Warrant Shares or scrip representing fractional Warrant Shares shall be issued upon the exercise of this Warrant. The Company shall pay cash in lieu of such fractional Warrant Shares. The price of a fractional Warrant Share shall equal the product of (i) the closing price of the Common Stock on the exchange or market on which the Common Stock is then traded (if the Common Stock is not then publicly traded, then upon the fair market value per share of the Common Stock (as determined by the Company's Board of Directors)), and (ii) the applicable fraction.

(e) In the event of any exercise of the rights represented by this Warrant, a certificate or certificates for Warrant Shares so purchased, registered in the name of the Holder on the stock transfer books of the Company, shall be delivered to the Holder within a reasonable time after such rights shall have been so exercised. The person or entity in whose name any certificate for Warrant Shares is issued upon exercise of the rights represented by this Warrant shall for all purposes be deemed to have become the holder of record of such Warrant Shares immediately prior to the close of business on the date on which the Warrant was surrendered and payment of the Warrant Price and any applicable taxes was made, irrespective of the date of delivery of such certificate, except that, if the date of such surrender and payment is a date when the stock transfer books of the Company are closed, such person shall be deemed to have become the holder of such shares at the opening of business on the next succeeding date on which the Company's stock transfer books are open. Except as provided in Section 4 hereof, the Company shall pay any and all documentary stamp or similar issue payable in respect of the issue or delivery of Warrant Shares on exercise of this Warrant.

(f) The Company will not close its stockholder books or records in any manner which prevents the timely exercise of this Warrant, pursuant to the terms hereof.

2. Disposition of Warrant Shares and Warrant.

(a) The Holder hereby acknowledges that: (i) this Warrant and any Warrant Shares purchased pursuant hereto are not being registered (A) under the Securities Act of 1933 (the "*Act*") on the ground that the issuance of this Warrant is exempt from registration under Section 4(a)(2) of the Act as not involving any public offering, or (B) under any applicable state securities law because the issuance of this Warrant does not involve any public offering; and (ii) that the Company's reliance on the registration exemption under Section 4(a)(2) of the Act and under applicable state securities laws is predicated in part on the representations hereby made to the Company by the Holder. The Holder represents and warrants that he, she or it is acquiring this Warrant and will acquire Warrant Shares for investment for his, her or its own account, with no present intention of dividing his, her or its participation with others or reselling or otherwise distributing this Warrant or Warrant Shares.

(b) The Holder hereby agrees that he, she or it will not sell, transfer, pledge or otherwise dispose of (collectively, "*Transfer*") all or any part of this Warrant and/or Warrant Shares unless and until he, she or it shall have first given notice to the Company describing such Transfer and furnished to the Company (i) a statement from the transferee, whereby the transferee represents and warrants that he, she, or it is acquiring this Warrant and will acquire Warrant Shares, as applicable, for investment for his, her or its own account, with no present intention of dividing his, her or its participation with others or reselling or otherwise distributing this Warrant or Warrant Shares, as applicable, and either (ii) an opinion, reasonably satisfactory to counsel for the Company, of counsel (competent in securities matters, selected by the Holder and reasonably satisfactory to the Company) to the effect that the proposed Transfer may be made without registration under the Act and without registration or qualification under any state law, or (iii) an interpretative letter from the U.S. Securities and Exchange Commission to the effect that no enforcement action will be recommended if the proposed sale or transfer is made without registration under the Act.

(c) If, at the time of issuance of Warrant Shares, no registration statement is in effect with respect to such shares under applicable provisions of the Act, the Company may, at its election, require that (i) the Holder provide written reconfirmation of the Holder's investment intent to the Company, and (ii) any stock certificate evidencing Warrant Shares shall bear legends reading substantially as follows:

"THE SALE, TRANSFER, PLEDGE OR OTHER DISPOSITION OF THE SHARES REPRESENTED BY THIS CERTIFICATE IS SUBJECT TO CERTAIN RESTRICTIONS SET FORTH IN THE WARRANT PURSUANT TO WHICH THESE SHARES WERE PURCHASED FROM THE COMPANY. COPIES OF SUCH RESTRICTIONS ARE ON FILE AT THE PRINCIPAL OFFICES OF THE COMPANY. NO TRANSFER OF SUCH SHARES OR OF THIS CERTIFICATE (OR OF ANY SHARES OR OTHER SECURITIES (OR CERTIFICATES THEREFOR) ISSUED IN EXCHANGE FOR OR IN RESPECT OF SUCH SHARES) SHALL BE EFFECTIVE UNLESS AND UNTIL THE TERMS AND CONDITIONS SET FORTH IN THE WARRANT HAVE BEEN COMPLIED WITH."

“THE SHARES REPRESENTED BY THIS CERTIFICATE HAVE NOT BEEN REGISTERED UNDER THE SECURITIES ACT OF 1933, AND MAY NOT BE SOLD, TRANSFERRED, PLEDGED OR OTHERWISE DISPOSED OF IN THE ABSENCE OF AN EFFECTIVE REGISTRATION STATEMENT UNDER THE SECURITIES ACT OF 1933 (THE “ACT”) OR AN OPINION OF COUNSEL SATISFACTORY TO THE ISSUER OF THIS CERTIFICATE THAT REGISTRATION IS NOT REQUIRED UNDER THE ACT.”

In addition, so long as the foregoing legend may remain on any stock certificate evidencing Warrant Shares, the Company may maintain appropriate “stop transfer” orders with respect to such certificates and the shares represented thereby on its books and records and with those to whom it may delegate registrar and transfer functions.

3 . Reservation of Shares. The Company hereby agrees that at all times there shall be reserved for issuance upon the exercise of this Warrant such number of shares of the Common Stock as shall be required for issuance upon exercise of this Warrant. The Company further agrees that all Warrant Shares will be duly authorized and will, upon issuance and payment of the exercise price therefor, be validly issued, fully paid and non-assessable, free from all taxes, liens, charges and encumbrances with respect to the issuance thereof, other than taxes, if any, in respect of any transfer occurring contemporaneously with such issuance and other than transfer restrictions imposed by federal and state securities laws.

Except and to the extent as waived or consented to by the Holder, the Company shall not by any action, including, without limitation, amending its certificate or articles of incorporation or through any reorganization, transfer of assets, consolidation, merger, dissolution, issue or sale of securities or any other voluntary action, avoid or seek to avoid the observance or performance of any of the terms of this Warrant, but will at all times in good faith assist in the carrying out of all such terms and in the taking of all such actions as may be necessary or appropriate to protect the rights of Holder as set forth in this Warrant. Without limiting the generality of the foregoing, the Company will (a) not increase the par value of any Warrant Shares above the amount payable therefor upon such exercise immediately prior to such increase in par value, (b) take all such action as may be necessary or appropriate in order that the Company may validly and legally issue fully paid and nonassessable Warrant Shares upon the exercise of this Warrant, and (c) use commercially reasonable efforts to obtain all such authorizations, exemptions or consents from any public regulatory body having jurisdiction thereof as may be necessary to enable the Company to perform its obligations under this Warrant.

Before taking any action which would result in an adjustment in the number of Warrant Shares for which this Warrant is exercisable or in the Exercise Price, the Company shall obtain all such authorizations or exemptions thereof, or consents thereto, as may be necessary from any public regulatory body or bodies having jurisdiction thereof.

4 . Exchange, Transfer or Assignment of Warrant. Subject to Section 2, this Warrant is exchangeable, without expense, at the option of the Holder, upon presentation and surrender hereof to the Company or at the office of its stock transfer agent, if any, for other Warrants of the Company (“*Warrants*”) of different denominations, entitling the Holder or Holders thereof to purchase in the aggregate the same number of Warrant Shares purchasable hereunder. Subject to Section 2, upon surrender of this Warrant to the Company or at the office of its stock transfer agent, if any, together with (a) the Assignment Form attached hereto as Exhibit B (the “*Assignment Form*”) duly executed, (b) an opinion of counsel to the Holder (if required by the Company), in a form reasonably acceptable to the Company, that registration under the Securities Act is not required, and (c) funds sufficient to pay any transfer tax, the Company shall, without charge, execute and deliver a new Warrant in the name of the assignee named in the Assignment Form and this Warrant shall promptly be canceled. Subject to Section 2, this Warrant may be divided or combined with other Warrants that carry the same rights upon presentation hereof at the office of the Company or at the office of its stock transfer agent, if any, together with a written notice specifying the names and denominations in which new Warrants are to be issued and signed by the Holder hereof.

5. **Capital Adjustments.** This Warrant is subject to the following further provisions:

(a) **Recapitalization, Reclassification and Succession.** If any recapitalization of the Company or reclassification of its Common Stock or any merger or consolidation of the Company into or with a corporation or other business entity, or the sale or transfer of all or substantially all of the Company's assets or of any successor corporation's assets to any other corporation or business entity (any such corporation or other business entity being included within the meaning of the term "successor corporation") shall be effected, at any time while this Warrant remains outstanding and unexpired, then, as a condition of such recapitalization, reclassification, merger, consolidation, sale or transfer, lawful and adequate provision shall be made whereby the Holder of this Warrant thereafter shall have the right to receive upon the exercise hereof as provided in Section 1 and in lieu of the Warrant Shares immediately theretofore issuable upon the exercise of this Warrant, such shares of capital stock, securities or other property as may be issued or payable with respect to or in exchange for the number of outstanding shares of Common Stock equal to the number of Warrant Shares immediately theretofore issuable upon the exercise of this Warrant had such recapitalization, reclassification, merger, consolidation, sale or transfer not taken place, and in each such case, the terms of this Warrant shall be applicable to the shares of stock or other securities or property receivable upon the exercise of this Warrant after such consummation.

(b) **Subdivision or Combination of Shares.** If the Company at any time while this Warrant remains outstanding and unexpired shall subdivide or combine its Common Stock, the number of Warrant Shares purchasable upon exercise of this Warrant shall be proportionately adjusted.

(c) **Stock Dividends and Distributions.** If the Company at any time while this Warrant is outstanding and unexpired shall issue or pay the holders of its Common Stock, or take a record of the holders of its Common Stock for the purpose of entitling them to receive, a dividend payable in, or other distribution of, Common Stock, then the number of Warrant Shares purchasable upon exercise of this Warrant shall be adjusted to the number of shares of Common Stock that Holder would have owned immediately following such action had this Warrant been exercised immediately prior thereto.

(d) **Price Adjustments.** Whenever the number of Warrant Shares purchasable upon exercise of this Warrant is adjusted pursuant to Sections 5(b), 5(c) or 5(d), the then applicable Warrant Price shall be proportionately adjusted.

(e) **Certain Shares Excluded.** The number of shares of Common Stock outstanding at any given time for purposes of the adjustments set forth in this Section 5 shall exclude any shares then directly or indirectly held in the treasury of the Company.

(f) **Deferral and Cumulation of De Minimis Adjustments.** The Company shall not be required to make any adjustment pursuant to this Section 5 if the amount of such adjustment would be less than one percent (1%) of the Warrant Price in effect immediately before the event that would otherwise have given rise to such adjustment. In such case, however, any adjustment that would otherwise have been required to be made shall be made at the time of and together with the next subsequent adjustment which, together with any adjustment or adjustments so carried forward, shall amount to not less than one percent (1%) of the Warrant Price in effect immediately before the event giving rise to such next subsequent adjustment. All calculations under this Section 5 shall be made to the nearest cent or to the nearest one-hundredth of a share, as the case may be, but in no event shall the Company be obligated to issue fractional Warrant Shares or fractional portions of any securities upon the exercise of the Warrant.

(g) **Duration of Adjustment.** Following each computation or readjustment as provided in this Section 5, the new adjusted Warrant Price and number of Warrant Shares purchasable upon exercise of this Warrant shall remain in effect until a further computation or readjustment thereof is required.

(h) Notwithstanding any other provision, the Company shall have the right to increase the number of authorized shares and outstanding shares without the Holder receiving any additional Warrant or Warrant Shares as a result thereof.

6. **Notice to Holders.**

(a) Notice of Record Date. In case:

(i) the Company shall take a record of the holders of its Common Stock (or other stock or securities at the time receivable upon the exercise of this Warrant) for the purpose of entitling them to receive any dividend (other than a cash dividend payable out of earned surplus of the Company) or other distribution, or any right to subscribe for or purchase any shares of stock of any class or any other securities, or to receive any other right;

(ii) of any capital reorganization of the Company, any reclassification of the capital stock of the Company, any consolidation with or merger of the Company into another corporation, or any conveyance of all or substantially all of the assets of the Company to another corporation; or

(iii) of any voluntary dissolution, liquidation or winding-up of the Company;

then, and in each such case, the Company will mail or cause to be mailed to the Holder hereof at the time outstanding a notice specifying, as the case may be, (i) the date on which a record is to be taken for the purpose of such dividend, distribution or right, and stating the amount and character of such dividend, distribution or right, or (ii) the date on which such reorganization, reclassification, consolidation, merger, conveyance, dissolution, liquidation or winding-up is to take place, and the time, if any, is to be fixed, as of which the holders of record of Common Stock (or such stock or securities at the time receivable upon the exercise of this Warrant) shall be entitled to exchange their shares of Common Stock (or such other stock or securities) for securities or other property deliverable upon such reorganization, reclassification, consolidation, merger, conveyance, dissolution or winding-up. Such notice shall be mailed at least ten (10) calendar days prior to the record date therein specified, or if no record date shall have been specified therein, at least ten (10) days prior to such specified date.

(b) **Certificate of Adjustment.** Whenever any adjustment shall be made pursuant to Section 5 hereof, the Company shall promptly make a certificate signed by its Chairman, Chief Executive Officer, President, Vice President, Chief Financial Officer or Treasurer, setting forth in reasonable detail the event requiring the adjustment, the amount of the adjustment, the method by which such adjustment was calculated and the Warrant Price and number of Warrant Shares purchasable upon exercise of this Warrant after giving effect to such adjustment, and shall promptly cause copies of such certificates to be mailed (by first class mail, postage prepaid) to the Holder of this Warrant.

7 . **Loss, Theft, Destruction or Mutilation.** Upon receipt by the Company of evidence satisfactory to it, in the exercise of its reasonable discretion, of the ownership and the loss, theft, destruction or mutilation of this Warrant and, in the case of loss, theft or destruction, of indemnity reasonably satisfactory to the Company and, in the case of mutilation, upon surrender and cancellation thereof, the Company will execute and deliver in lieu thereof, without expense to the Holder, a new Warrant of like tenor dated the date hereof.

8 . **Warrant Holder Not a Stockholder.** The Holder of this Warrant, as such, shall not be entitled by reason of this Warrant to any rights whatsoever as a stockholder of the Company, including but not limited to voting rights. No provision hereof, in the absence of any affirmative action by Holder to exercise this Warrant to purchase Warrant Shares, and no enumeration herein of the rights or privileges of Holder, shall give rise to any liability of Holder for the purchase price of any Common Stock or as a stockholder of the Company, whether such liability is asserted by the Company or by creditors of the Company.

9 . **Registration Rights.** The Company shall include the Warrant Shares in any registration statement the Company files with the Securities and Exchange Commission during the time the Warrant remains outstanding.

10 . **Notices.** Any notice provided for in this Warrant must be in writing and must be either personally delivered, mailed by first class mail (postage prepaid and return receipt requested), or sent by reputable overnight courier service (charges prepaid) to the recipient at the address below indicated:

11 . Choice of Law. THIS WARRANT IS ISSUED UNDER AND SHALL FOR ALL PURPOSES BE GOVERNED BY AND CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE OF OHIO, WITHOUT GIVING EFFECT TO ITS CONFLICTS OF LAW RULES.

12 . Submission to Jurisdiction. EACH OF THE PARTIES WAIVES ANY DEFENSE OF INCONVENIENT FORUM TO THE MAINTENANCE OF ANY ACTION OR PROCEEDING SO BROUGHT AND WAIVES ANY BOND, SURETY, OR OTHER SECURITY THAT MIGHT BE REQUIRED OF ANY OTHER PARTY WITH RESPECT THERETO.

13. Warrant Register. The Company shall register this Warrant, upon records to be maintained by the Company for that purpose (the "*Warrant Register*"), in the name of the record Holder hereof from time to time. The Company may deem and treat the registered Holder of this Warrant as the absolute owner hereof for the purpose of any exercise hereof or any distribution to the Holder, and for all other purposes, absent actual notice to the contrary.

14. Miscellaneous.

(a) Remedies. Holder, in addition to being entitled to exercise all rights granted by law, including recovery of damages, will be entitled to specific performance of its rights under this Warrant. The Company agrees that monetary damages would not be adequate compensation for any loss incurred by reason of a breach by it of the provisions of this Warrant and hereby agrees to waive and not to assert the defense in any action for specific performance that a remedy at law would be adequate.

(b) Successors and Assigns. Subject to applicable securities laws, this Warrant and the rights and obligations evidenced hereby shall inure to the benefit of and be binding upon the successors of the Company and the successors and permitted assigns of Holder. The provisions of this Warrant are intended to be for the benefit of all Holders from time to time of this Warrant and shall be enforceable by any such Holder or holder of Warrant Shares.

(c) Amendment. This Warrant may be modified or amended or the provisions hereof waived with the written consent of the Company and the Holder.

(d) Severability. Wherever possible, each provision of this Warrant shall be interpreted in such manner as to be effective and valid under applicable law, but if any provision of this Warrant shall be prohibited by or invalid under applicable law, such provision shall be ineffective to the extent of such prohibition or invalidity, without invalidating the remainder of such provisions or the remaining provisions of this Warrant.
